1999 Season Preview

Could Baylor football be on the verge?

The 1998 season found the Baylor Bears so close, and yet so far away. In the second game of last season, Baylor faced North Carolina State at Floyd Casey Stadium with the visiting Wolfpack fresh off a win over perennial powerhouse Florida State. Following last-second heroics by Gary Baxter, who blocked a field goal attempt as time expired, the Bears had a big win, 33-30, and they seemed to be on the way.

The following week, Baylor went into tough Folsom Field in Boulder, Colo., and held a fourth-quarter lead over the Buffs before a late drive led to an 18-16 Bears loss. Next time out, Baylor seemed out of the game at Texas Tech, but a late touchdown and two-point conversion attempt that was almost good left the Bears with their second straight nailbiter, 31-29.

Nevertheless, Baylor finished 2-9 on the season, and no football team is satisfied with that record. Enter Kevin Steele, and Baylor fans are looking up again. Steele has brought a can-do attitude to Waco and is redesigning the Bears into a team which he believes will be suited to the Big XII Conference style of play.

"We want to be very balanced," Steele has said. "The best teams run the ball physically. They back people off the line and make first downs running the ball. It's very tough on a defense when you line up and run the ball for a first down. It's tough mentally. We'll use the play action pass out of that. We'll try to get the defense to go from seven in the box to eight, and then we can fake it and throw the football. We'll have a third-down passing game with two wides, three wides. We'll throw with an NFL concept. We'll line up in two-backs and run the ball from there. If you want to compare it to something, it will be like the Dallas Cowboys when Jimmy Johnson was there."

The Offense

If any area of the Baylor offense seems destined for success, it is the running backs. Baylor starts off there with a talented pair of juniors who are returning starters and have each had their time in the spotlight.

Darrell Bush (Jersey Village senior) seemed destined for stardom after his freshman season, when he rushed for 6.7 yards a carry and gained 693 yards on the season. Last year, he dropped off a bit, but the tailback has slimmed down and looked to have his moves back in the 1999 spring game.

Also expected to get a lot of playing time is the man who actually led Baylor in touchdowns last season with five, Elijah Burkins (Port Arthur, senior). Burkins only carried the ball three times per game last season, but he scored about once every other game. Burkins, who handled kickoff return duties for the Bears and is becoming one of the all-time Baylor leaders in that category, was a designated goal-line runner in 1998, scoring five times on sweeps from five yards and in by using his speed to beat defenders to the corner of the end zone.

Derek Lagway (Willis junior) started every game last season, but it was a run against North Carolina State which will forever be burned into the minds of Baylor fans in attendance and watching on television. It was a 27-yard run in the first quarter when he shed seven tacklers, and CNN named it the "Play of the Day." Lagway will also

1999 Season Preview

likely be one of the few fullbacks in the country to be his team's top returning receiver. He has good hands and caught 37 balls last year.

Melvin Barnett (Cuero sophomore), his backup, is a bowling ball of a back and also has good hands and good blocking abilities.

The success of those runners will be dictated by the success up front in the trenches. Greg Jerman (El Paso sophomore) could be a future star there, and he will hold down the left tackle slot which is so important in the protection of quarterbacks. Jerman impressed coaches last season, and he became a starter midway through 1998. Next to him, Ethan Kelley (Sugar Land freshman) is penciled in as the starter after redshirting last season. He came close to playing several times, as injuries and offensive line trouble plagued the Bears, but this converted defensive lineman didn't quite make the field, leaving him with four years to play.

In the middle, Joe Jackson (Groveton sophomore) continues to defy the experts. He's not the biggest or the tallest, but Jackson took over at center last season, and he could be a fixture there. The brother of former standout Baylor linebacker Dean Jackson, this Jackson possesses the same leadership ability and maturity which make him an asset in any huddle.

The right side will feature Chris Watton (Foley, Ala., senior) and Tyshaun Whitson (Pasadena, Calif., junior). Both junior college transfers, Watton played last season and started several games but never quite hit the stride expected. He should be adjusted to major college play now and could shine this season at guard. Whitson was brought to Waco to harass quarterbacks and shut down running games. A knee injury last August prevented him from doing either, and he has since moved to right offensive tackle. Physically intimidating, Whitson could fit right into the scary mold of Derrick Fletcher, another converted defensive lineman who is now working for the New England Patriots.

Behind those preseason starters are a number of

potential challengers. Baylor redshirted five offensive linemen last season, and what was once a thin area could be a strength. Chad Crady (Houston freshman), Derrick Percy (Sugar Land freshman), T.J. Helmcamp (Smithville freshman) and Everett Fraser (Abilene Fraser) have all benefitted from a year in the weightroom and on the practice field.

At tight end, Brandon Thompson (Fort Worth junior) heads into fall drills with the top spot. Primarily a blocker, Thompson will be challenged by last year's starter, Andrew Obriotti (San Antonio sophomore) and Don Arroyo (Cuero senior).

One area of concern for the Bears is at receiver, where five of the top candidates missed all or part of spring training. Andre Fuller (Aldine sophomore), who returned punts last season and is the only member of this year's team to start a game in 1998, ran track, as did Martin Dossett (Gregory junior) and Randy Davis (Dallas sophomore). Mark Cogdill (Houston senior) was a starting outfielder for the Baylor baseball team and also sat out last fall to concentrate on the diamond. The last time he wore football pads, he showed an ability to get open, catch the ball and find the end zone, and he could be one of the top men here after the rust wears off.

The big question on offense is who will be getting them the ball. Jermaine Alfred (Baytown) is the senior and started seven games last season. Usually overlooked during his career, he has quietly moved into the lists of leaders in passing yards and touchdowns, and he has an ability to move the team down the field although he is not its greatest athlete.

Odell James (Aldine junior), on the other hand, has athletic ability seeped out of his pores. James was the starter when 1998 began, and he saw action throughout the season. He has the strong arm, tremendous running ability and size of a prototypical professional quarterback. His confidence has been boosted by an offense which is similar to what he ran in high school, when he drew attention from recruiters from coast to coast.

The Defense

Kevin Steele played linebacker in college, coached the position for the NFL's Carolina Panthers and that will be the focus of the rebuilding of the Baylor defense. The Bears were once a feared defensive squad, but opponents have piled up rushing yards in recent years, and any recovery of the program will start with run defense.

"We're changing from a 50 front to a 4-3," Steele said, "so we've made some moves to try to get more speed at linebacker. Speed allows you to make mistakes and cover them up. If you have seven or eight show up at the ball, they'll make the play. You can see from a lot of those defensive switches that we're emphasizing speed at linebacker."

The most significant move was putting Rodney Smith (Waco senior) at linebacker. Smith has led Baylor in tackles the past two seasons from his spot as starting strong safety, and he is the No. 7 tackler in the nation among returning defensive backs. Now, he will try out the weakside linebacker spot.

McKinley Bowie (Aldine junior), a starter last season and one of 11 starters returning, will provide quite a battle there. Rather active last season, he had nine quarterback hurries and created nine negative-yardage plays for opponents.

Kris Micheaux (Jersey Village junior), who has been described as the most intense Bear since Mike Singletary, will anchor the middle with his incredible will to win. Tremendous depth at linebacker, however, means that Jason Lary (Amarillo junior), a walk-on who has earned a scholarship, and Eric Clay (Houston junior), a solid athlete who made steady improvement last season.

The strong side features Jason Jackson (Giddings senior), who simply makes plays. Other players get more attention and do more interviews, but Jackson is the top returning tackler outside of the defensive backfield, and he has been known to take up residency in an opponent's backfield. Behind him, Andre Taylor (Pohakee, Fla., senior) was a junior college transfer last season and should benefit from a full season at linebacker.

"If you want to turn a program around or win a championship, it all starts with stopping the run," Steele says. "If you lose a football game, it's usually because you didn't stop the run. So, that's very, very important. We'll work hard on stopping the run. There are ways to get it done with the front guys."

*starter last season at strong safety

1999 Season Preview

The front guys are anxious to do just that. The main man, both on and off the field, is Dwight Johnson (Waco senior). Johnson is a local product who is a quiet leader and a plodder on the defensive line. Not flashy at all, he got to the quarterback and brought him down a team-high five times last season from his defensive tackle slot. Next to him, James Calvin (Keller senior), who was the starter last season, and Ryan Gillenwater (The Woodlands sophomore), who saw action as a true freshman, will battle it out and likely both play a lot.

On the ends, there are plenty of options. Justin Snow (Abilene senior) is another player who is not flashy and is often overlooked. He was a starter last season and will get his shot at the job on the left side as August begins. There to challenge him are Charles Foster (Waco senior) and Fred Rogers (Dallas senior). Foster can

make the big play almost at will, but he has had trouble with penalties at times. Rogers is another defensive move, having earned a starting spot at linebacker late last season. He is a talent with a tremendous hitting ability and will find his way onto the field somewhere.

Baylor's defensive backfield could be its shining star. The brightest one and almost certainly the most talented Bear is cornerback Gary Baxter (Tyler junior). The potential was there when the 1998 season began, and he

wasted little time in showing it off. In the fourth quarter of Baylor's win over N.C. State, Baxter delivered on a pair of promises and showed tremendous closing speed, shutting down all-America receiver and eventual first-round NFL draft pick Tory Holt and blocking a last-second field goal try. What he describes as his "bag of goodies" is deep, and he is not afraid to pull something out at key times.

Other cornerbacks, all of whom could start, are Robert Neal (Garland senior), Allen Pace (Brownsboro junior) and Daniel Wilturner (Houston junior).

The safeties are a patchwork group who have battled injuries but can be dangerous when healthy. Curtis Henderson (Humble senior) is a fifth-year senior who has missed most of the last two seasons and is expected to start at free safety. Sean Armistead (Alief senior) gets the nod at strong safety and was Baylor's third-leading tackler last season. Samir Al-Amin (Garland junior) missed most of last season but was considered an up-and-coming star two years ago.

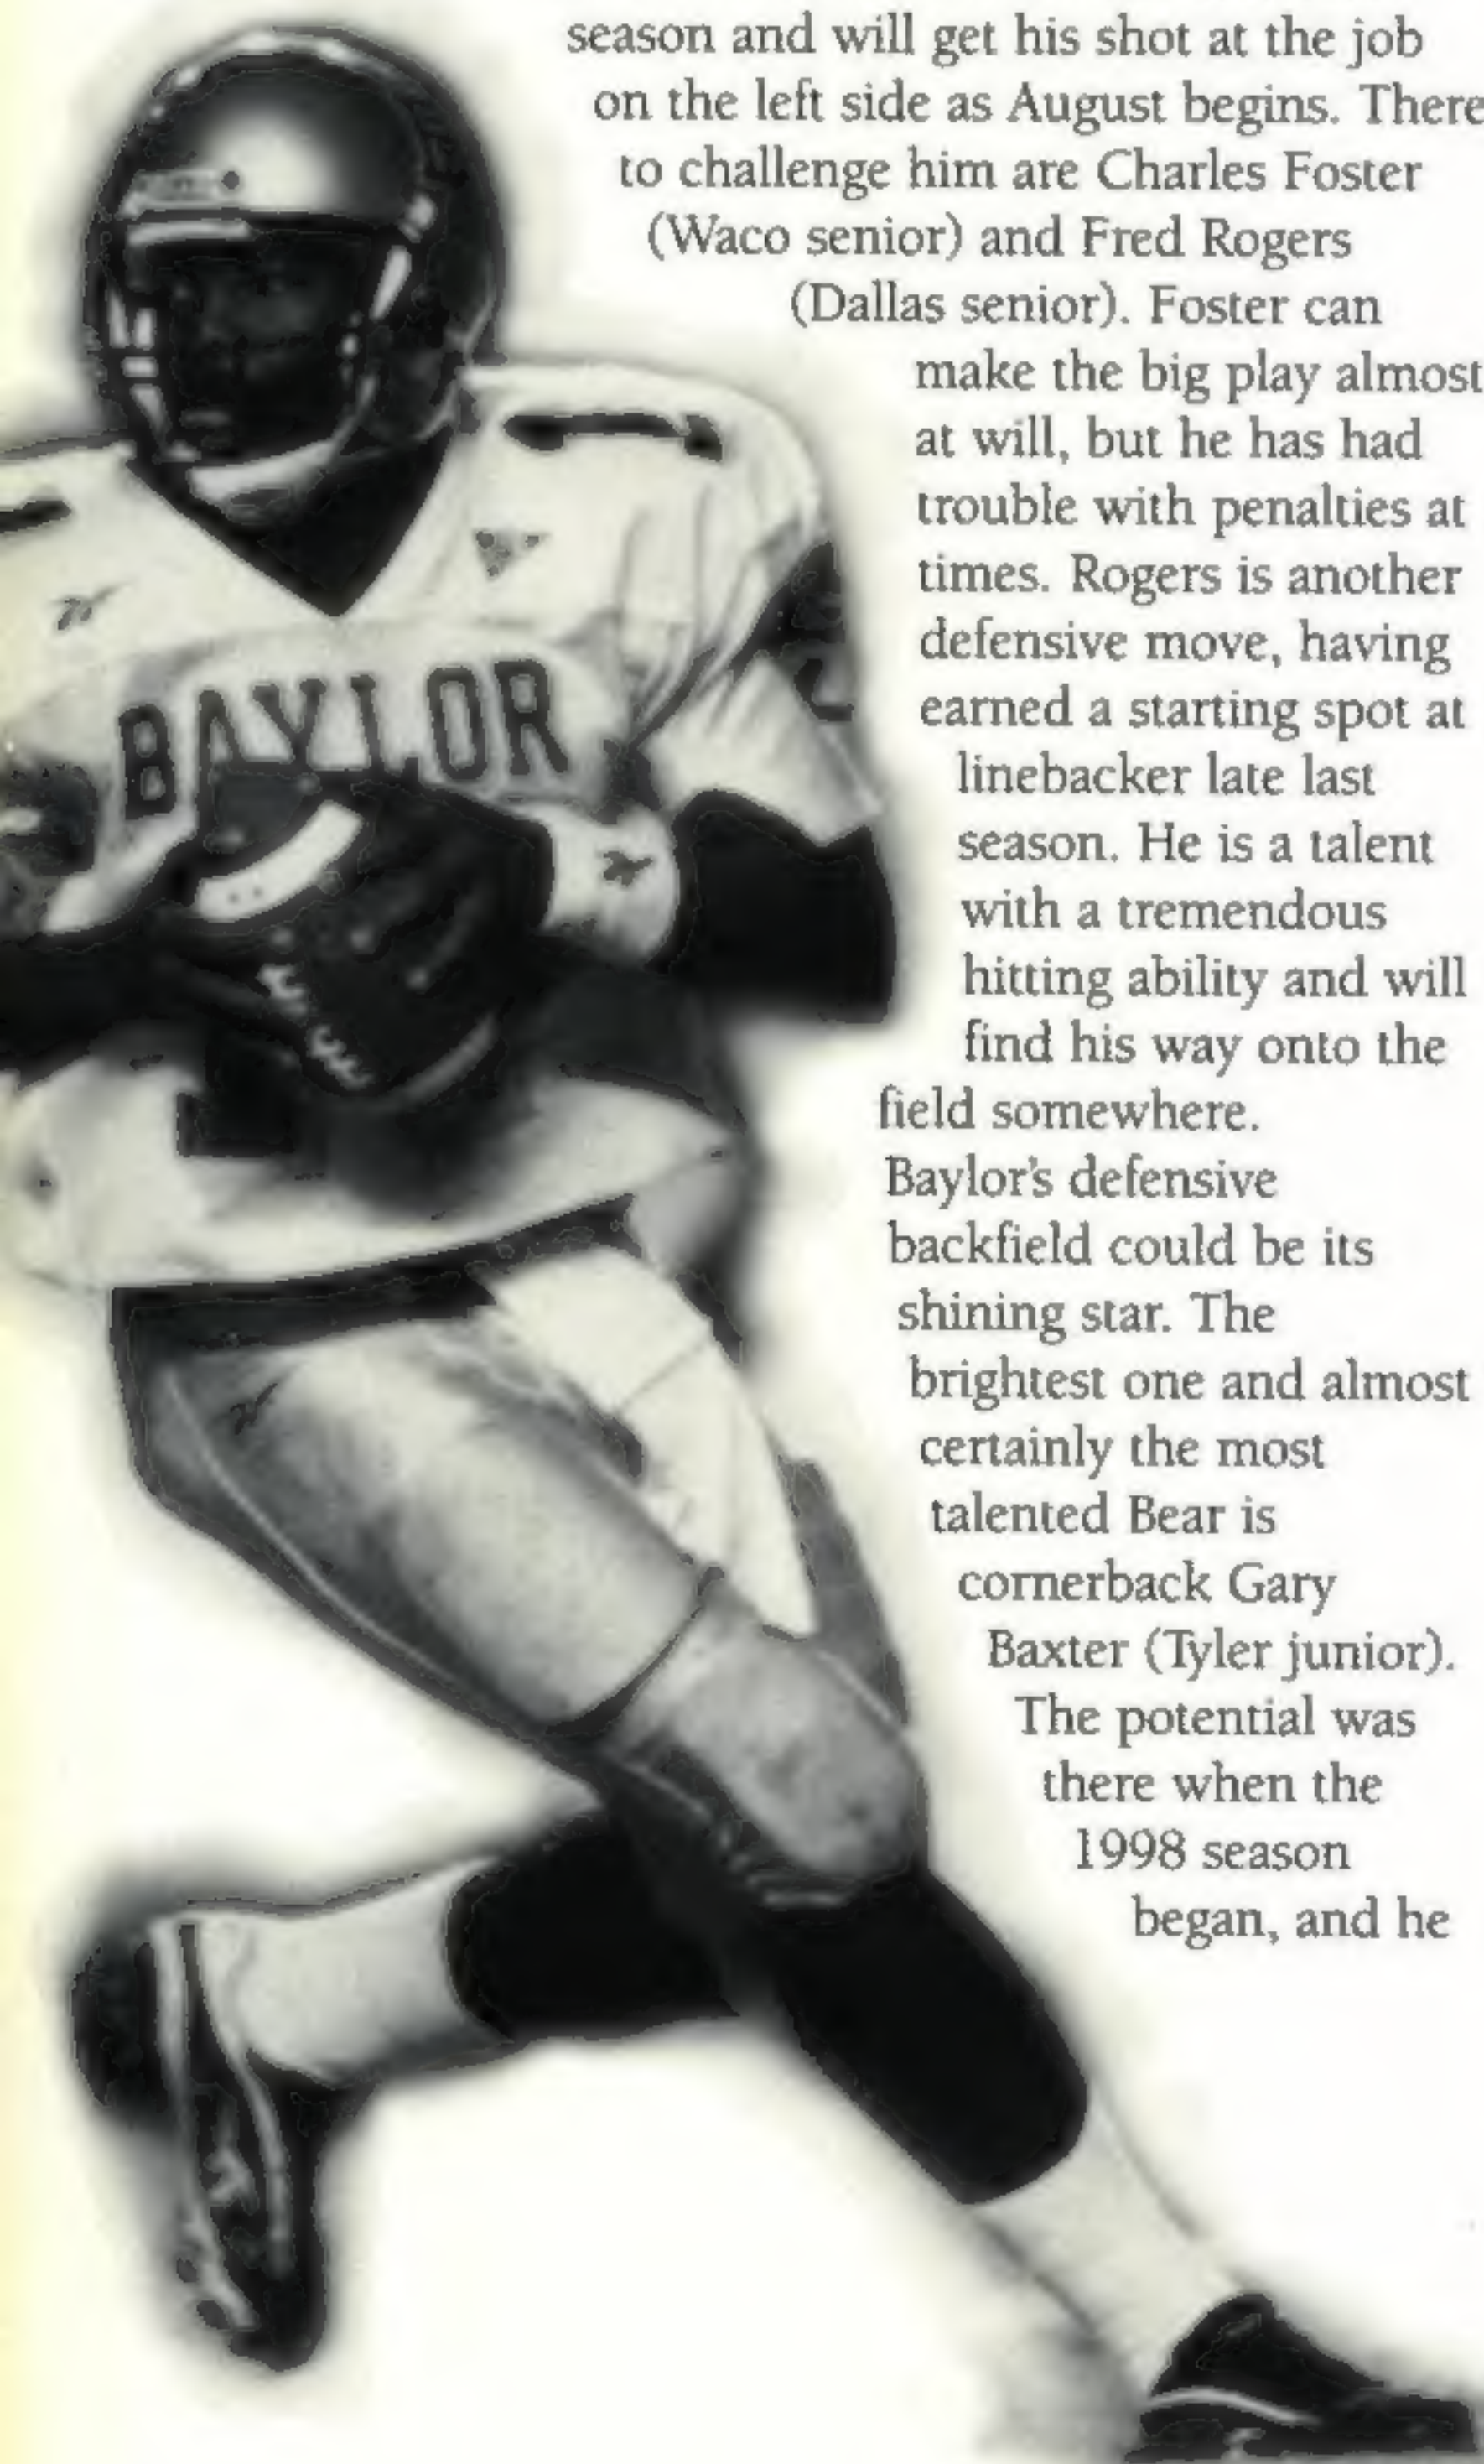

"There's talent to win with at Baylor University," Steele said prior to spring practice. "Now, I don't have a whole lot of hair, and I'll probably lose some more. We're a long, long way away today. I don't know how long it will take, but I think we can make a remarkable turnaround in a short time. I've coached at three schools in the Big XII, so I know what Big XII talent is like. We have the talent here to win in this league. First, we're hungry. We've learned the lesson that you have to be ready. If we get better, we'll get it done. This is a hungry football team."

Special Teams

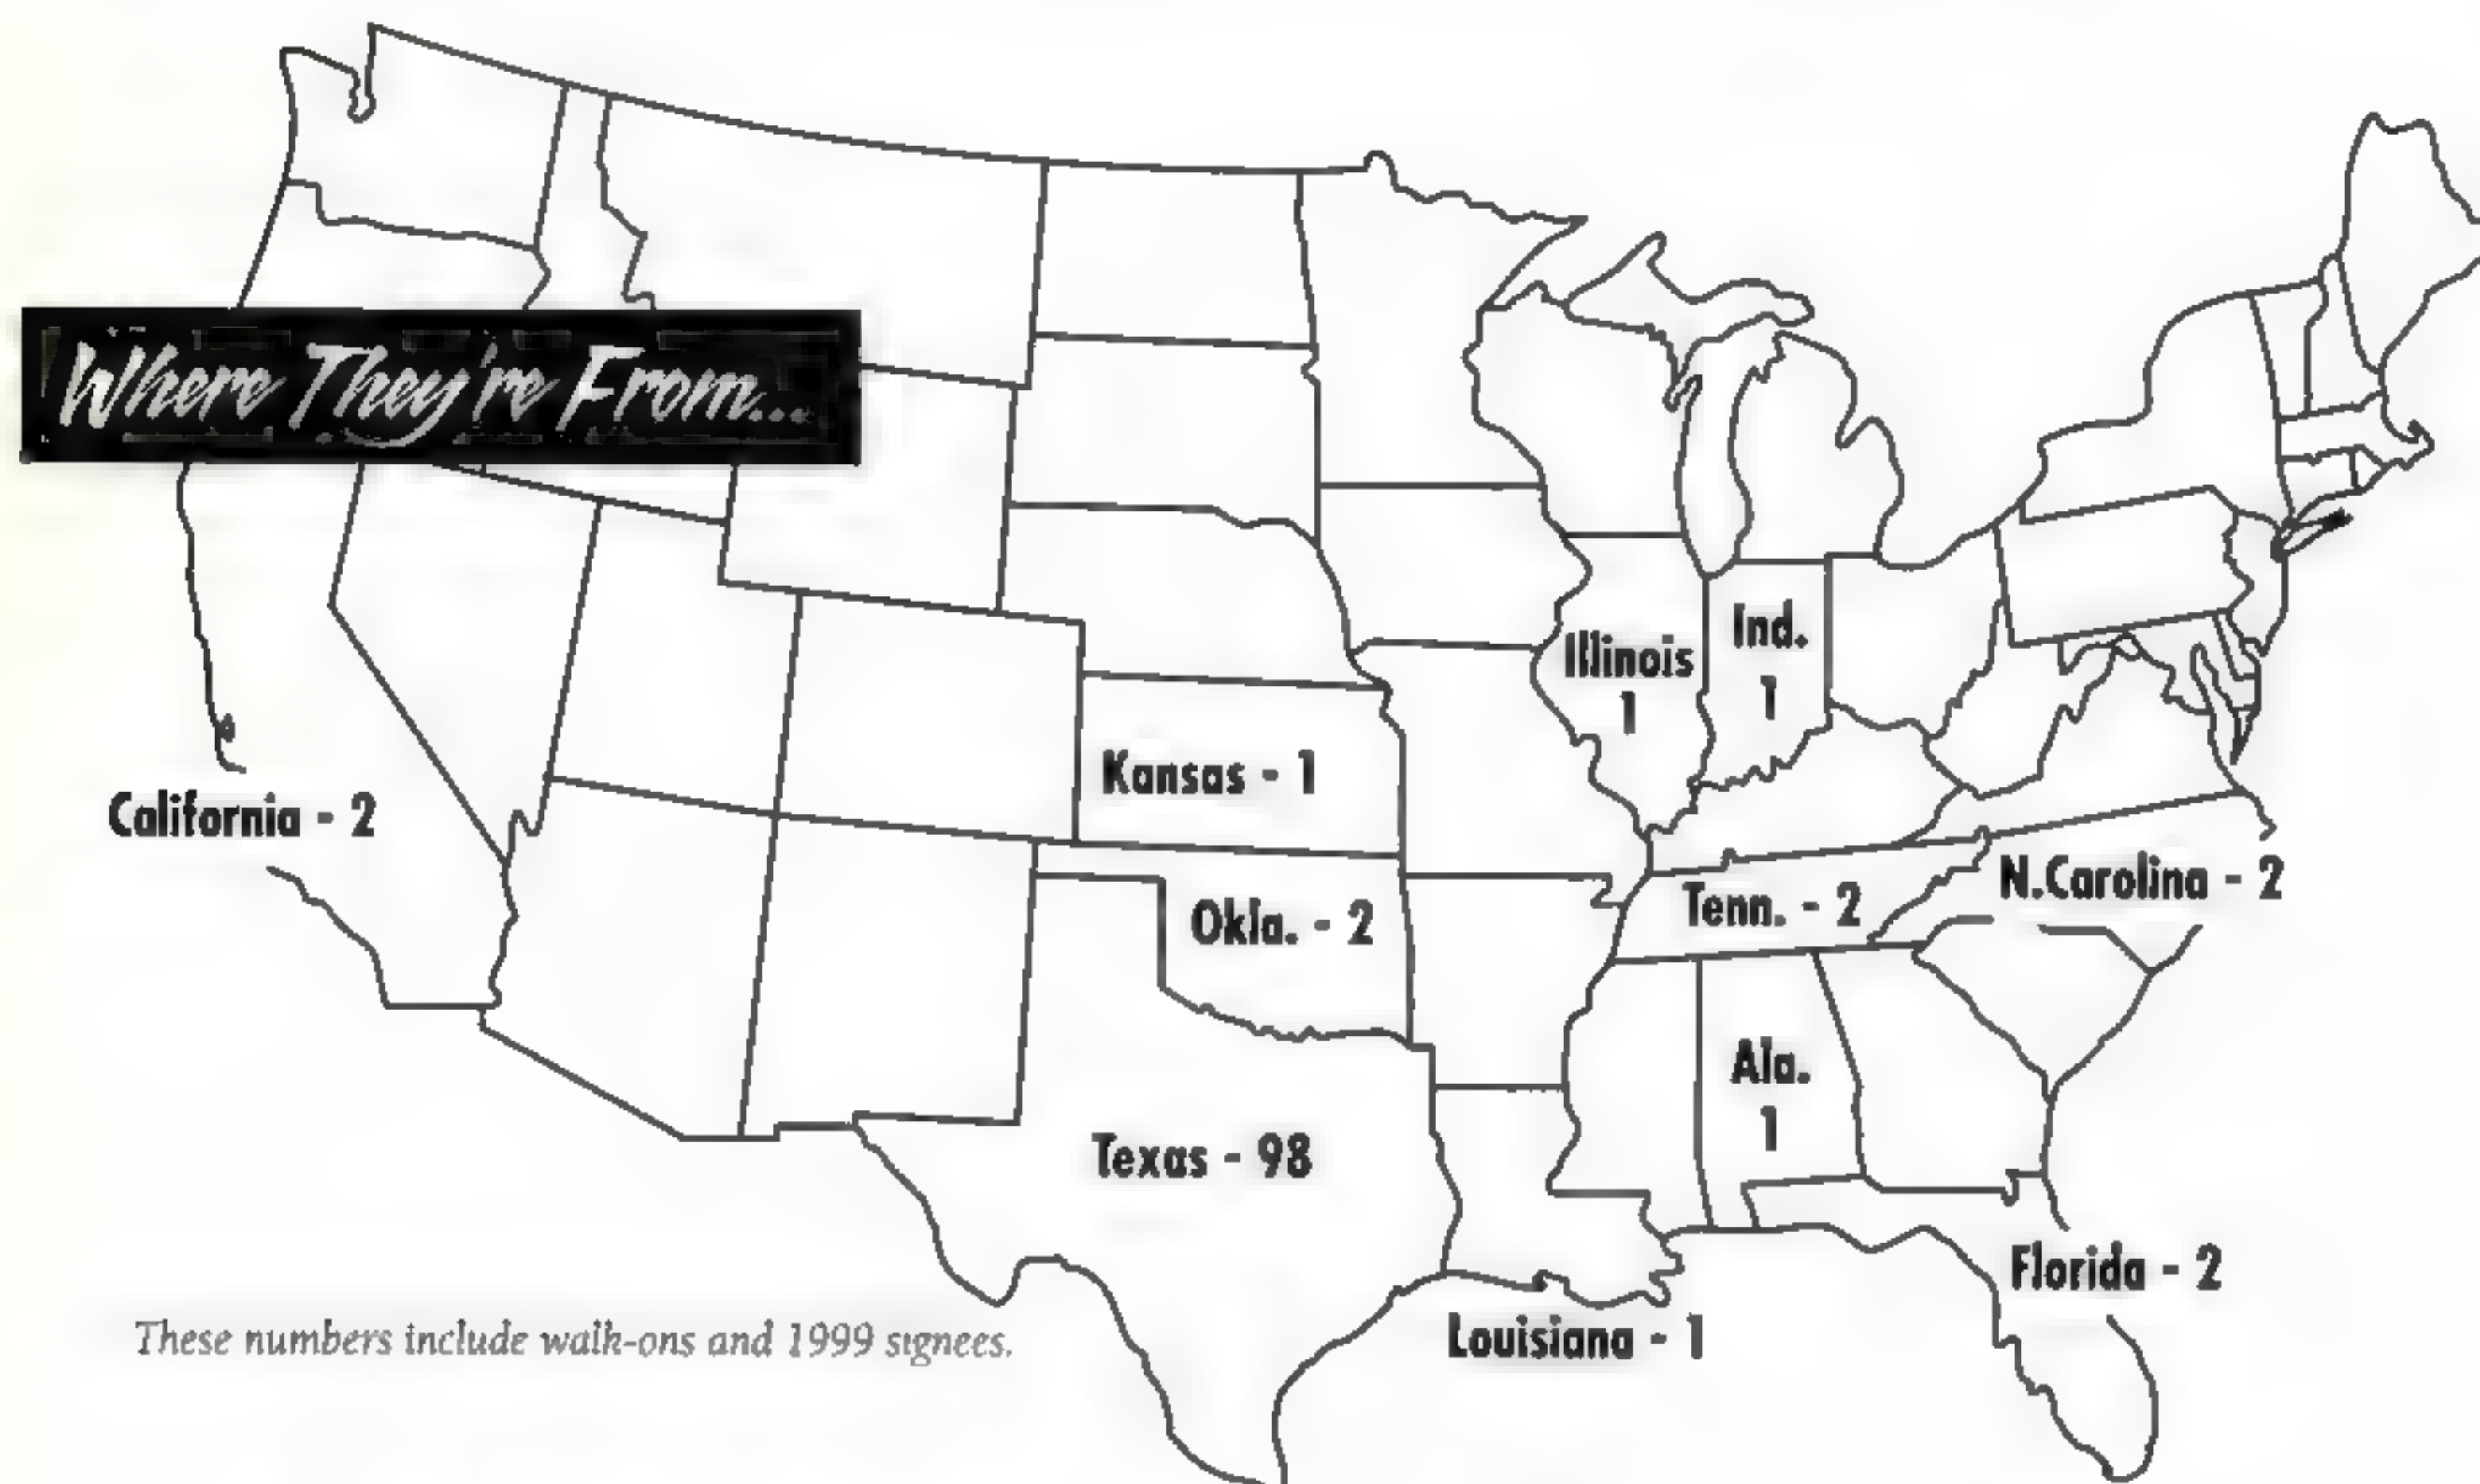

Kyle Atteberry (Kingwood senior) is the rock of the special teams. A placekicker three seasons ago, he has made a fine transition to punter, where he is now a solid all-conference candidate. He could be called up to handle the placekicking also.

The Schedule

Just because Notre Dame, Michigan and Miami are gone, it would be somewhat misleading to say that Baylor's schedule is easier. As long as the Bears are member of the Big XII Conference, there will be no easy schedules. Baylor gets to travel to Kansas State this time around, while Colorado comes to Waco for Homecoming. Meanwhile, the tough South is again sprinkled throughout the three months of competition.

About the Roster

In regards to duplicate numbers, our long national nightmare is over. There are no more duplicate numbers, much to the delight of countless public address announcers and media members. You will also note that several players do not have numbers according to the rosters. These players have numbers for practice purposes only. If they should play on Saturday, they will be issued a number on an individual game basis. The media will be notified should that occur. Please consult a member of Baylor Athletic Media Relations if you have any questions.

Under the leadership of legendary coach Grant Teaff, Baylor won the 1974 Southwest Conference championship and witnessed the rebirth of a football program some said should drop out of the major college ranks. As Baylor celebrates the silver anniversary of the team that gave meaning to the phrase "I Believe," dynamic new head coach Kevin Steele leads the Bears toward a return to those glory years.

1999 Baylor Radio Network

Recognized by the Texas Associated Press with a second place award for best sports play-by-play in 1997, the Baylor Radio Network will continue to bring the excitement of Baylor football to Bear fans across the globe in 1998. Baylor football games will be available statewide over a fine group of affiliates and worldwide over the internet.

Now in his 12th year as a member of the network crew, John Morris serves as the play-by-play "Voice of the Bears" for football, men's basketball, and baseball. This is his fourth year since succeeding the legendary Frank Fallon.

In his fourth year as color analyst for Baylor football is the affable David Hatchett. The afternoon sports anchor on Dallas/Ft. Worth affiliate WBAP-AM is in his 14th year with the station and has handled a number of college football and basketball assignments during that time.

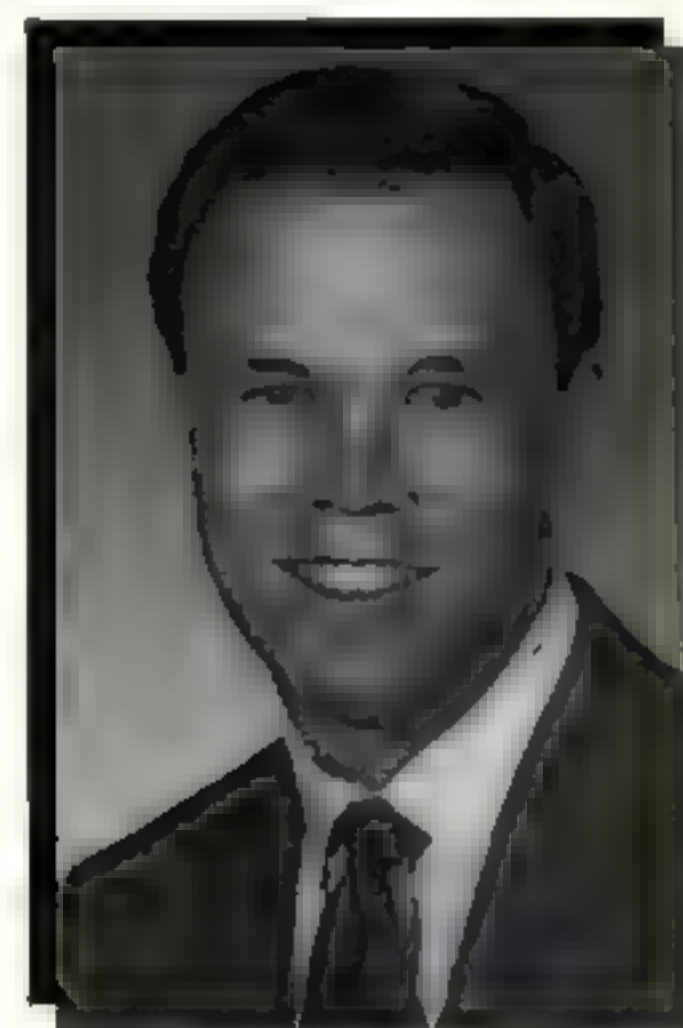

Baylor's radio team also includes the multi-talented Craig Harper, who is in his 12th year as executive engineer of the football broadcasts. Harper is the assistant manager of engineering for the A.H. Belo Corporation and lives in Frisco, Texas.

Jerry Clemmons returns for his 28th year as producer of Baylor Bear football. Always impeccably organized, Clemmons has worked in the past for the Mutual and SWC radio networks and is sales manager of Waco Fox affiliate KWKT-TV.

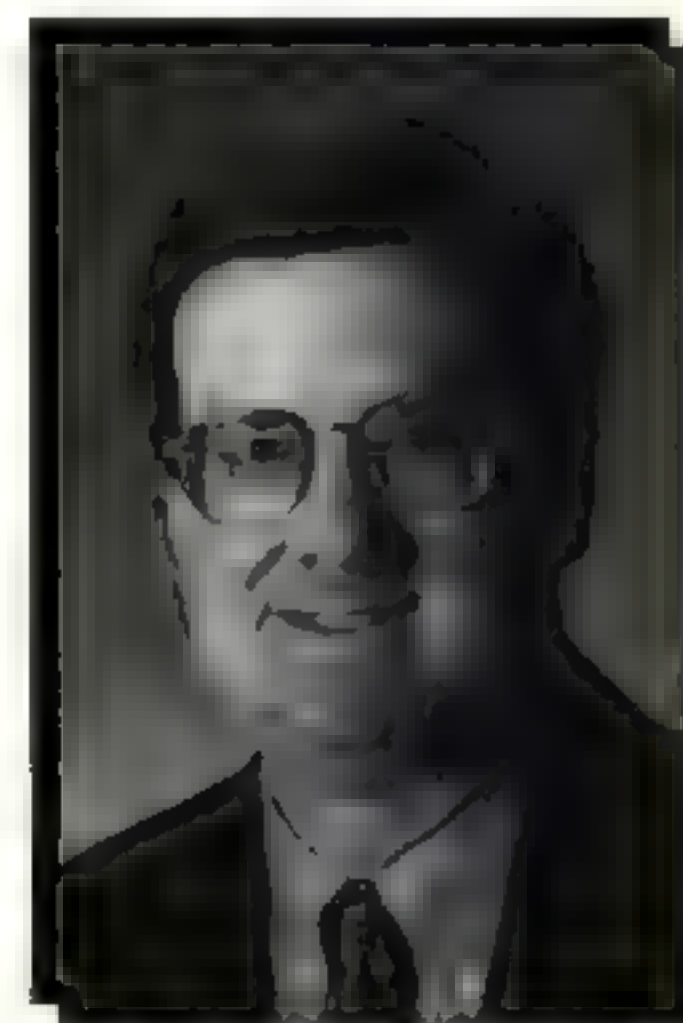

Tommy Tucker is also back for his 28th season keeping statistics. The well-respected Tucker is in great demand for both college and high school game broadcasts.

Behind the scenes, Brian Tarter and Jason George head up local and affiliate sales while John Fletcher handles network sales and affiliate procurement, all under the direction of Baylor's associate athletic director for sales and marketing, Dr Darryl Lehnus.

You can access the Baylor cybercast through the Baylor athletic web site at <http://www.BaylorSportsNet.com>. Fans can also dial in to "Teamline" and charge the call to a credit card to listen to every game at 1-800-846-4700. The Baylor access code is 5801 and the Baylor athletic department receives a percentage of revenue from each call.

The college experience in a Christian atmosphere... Baylor University was chartered in 1845 by the Republic of Texas and is Texas' oldest institution of higher education. It is controlled by an all-Baptist Board of Regents and is operated within the Christian-oriented aims and ideals of Baptists. It is affiliated with the Baptist General Convention of Texas, a cooperative association of autonomous Texas Baptist churches. Its mission is to be an institution of higher learning where education may be gained under Christian influences and ideals.

Baylor University assumes responsibilities traditionally associated with institutions of higher education: dissemination of knowledge, transmission of culture, search for new knowledge, and application of knowledge. The University strives to stimulate students to think clearly and creatively, to develop in students spiritual sensitivity and a sense of Christian commitment to moral discrimination and action, to develop in students a sense of civic virtue and responsibility, to foster in students an appreciation of the role of the arts, sciences, and humanities in the development of culture, and to prepare students to use their knowledge in productive careers.

As a Baptist institution, Baylor University is founded on the preeminence of Jesus Christ and the belief that God the creator and sustainer of the universe has purposely revealed Himself to humanity and, through a process of divine inspiration, caused the Holy Scriptures to be written.

Baylor University is concerned with the spiritual, moral, and intellectual development of those who come within its sphere of influence. It is committed to a caring relationship among its students, faculties, administrators, and regents—a caring that is characterized by understanding, forgiveness and respect for individuality. This university is proud of its Christian heritage, and it strives to be an institution stimulated both by the power of God and by the search for truth as it plays out its unique role in the educational community.

The mission of Baylor University is pursued within the framework of a program which emphasizes the liberal arts component of a high quality undergraduate education, but which also includes significant graduate and professional programs. In addition to the College of Arts and Sciences, Baylor University is comprised of the schools of business, education, engineering and computer science, law, music, and nursing, the George W. Truett Theological Seminary and allied graduate programs in San Antonio. In all of these programs, Baylor University expresses its commitment to Christ by encouraging its students to become informed, responsible, creative, and articulate citizens. Baylor University strives to produce individuals who use their freedom to enrich their own lives and to contribute to the well-being of society.

In all of Baylor's programs, the university expresses its commitment to Christ by encouraging its students to become informed, responsible, creative, and articulate citizens.

A student-athlete develops the body, mind AND soul at Baylor.

Bears in the Community

Through the Southwestern Bell B.U.I.L.D. program (Bears United in Life Development) Baylor athletes are involved in a variety of community service projects. Players visit hospitalized children in the Kidsville area at Hillcrest Baptist Medical Center, hold HEB Kids 'n' Coaches Clinics for the Boys and Girls Clubs, read to elementary school students in the Bears 'n' Books program, and help mentor at-risk teenagers through the Waco Tribune Herald Mentorship Program.

INAL GROWTH

Fellowship of Christian Athletes

Clearly one of the most successful organizations on the Baylor campus is the Fellowship of Christian Athletes. The FCA provides an opportunity for Baylor Christian athletes to meet and discuss how their Christian faith influences their lives both on and off the athletic field. The group meets weekly and averages between 50-100 student athletes in attendance. The Fellowship of Christian Athletes' purpose is, "To present to athletes and coaches, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving him in their relationships and in the fellowship to the church."

E ATHLETICS

Small School Atmosphere

Baylor students enjoy the best of both worlds - outstanding academics in an atmosphere where they are more than just another student in the classroom.

Baylor's outstanding professors pride themselves in getting to know each student on a personal basis. Baylor athletes also benefit from competing in the Big XII Conference.

This is Baylor... **COACH**

The American Football Coaches Association is widely recognized as the game's driving force in terms of promotions, legislative matters, ethics and professional standards. As the organization's executive director, Grant Teaff is the driving force of the AFCA.

Teaff moved into his position as the "coaches' coach" after a highly successful 22-year stint as the head coach of the Baylor Bears. What Teaff has done with the AFCA has mirrored his accomplishments at Baylor.

Teaff was hired to coach Baylor's program in 1972 when many people said the Bears should drop out of Division I. When the final gun sounded on the 1992 John Hancock Bowl — Teaff's last game as a head coach — he finished one of the most distinguished coaching careers in history.

Teaff finished his career 170-151-8 overall in 30 years as a head coach. He was 128-105-6 at Baylor, 83-74-4 in the Southwest Conference and 4-4 in bowl games.

He was named SWC Coach of the Year six times and national coach of the year once. He coached 16 first-team all-Americans and 83 all-conference performers.

Teaff finished his career as the nation's second-ranked coach for tenure at his present school, the fourth-ranked coach for SWC wins, third-ranked coach for games in the SWC, second-ranked coach for seasons in the SWC, sixth-ranked coach for wins by an SWC coach, ninth-ranked active coach for career wins and 20th-ranked active coach for winning percentage.

Teaff coached 12 postseason all-star games, including the East-West Shrine Game, the Blue-Gray Game, the Hula Bowl, the All-American Bowl and the Japan Bowl. The other SWC schools went through 38 different head coaches during Teaff's tenure at Baylor. He coached against such giants as Bear Bryant, Joe Paterno, Darrell Royal, Woody Hayes, Bo Schembechler, Vince Dooley, Shug Jordan, Tom Osborne, Frank Broyles, LaVell Edwards, Bill McCartney, Lou Holtz, Barry Switzer, Bill Yeoman, Jimmy Johnson, Johnny Major and Hayden Fry.

GRANT TEAFF

Teaff's Baylor teams played the likes of Alabama, Air Force, Arizona, Arizona State, Auburn, Brigham Young, Clemson, Colorado, Florida State, Georgia, LSU, Miami, Michigan, Nebraska, Ohio State, Oklahoma, Oklahoma State, Penn State, Pittsburgh and USC.

Upon completing his BU coaching career, he spent one year as the school's athletic director. Teaff took over the reins of the AFCA in 1993 and moved its headquarters to Waco.

Is he a football player who competes in track or a track man who plays football? That's an often-asked question at Baylor because the Bear football and track programs have a long history of cooperation.

Throughout the years, men competing both ways have contributed greatly to Baylor's nationally-recognized track program.

A list of the nearly 100 former Bear greats who have competed in both sports includes:

- Reyna Thompson, high hurdle conference champion and all-American, NFL All-Pro football player.
- Johnny Thomas, eight-time track all-American and 12-year NFL veteran defensive back.
- Bruce Davis, conference 100-meter champion, junior world record holder (indoor 60), NFL wide receiver.
- Ricky Thompson, conference champion long jumper, seven-year NFL veteran.
- Gerald McNeil, all-America sprinter, NFL All-Pro kick returner.
- John Simpson, all-America sprinter, Liberty Bowl MVP wide receiver.
- Del Shofner, member of world record relay, NFL All-Pro footballer.
- Marvin Lewis, all America shot putter (3rd in NCAA), nosetackle.
- Mike Robins, conference champion hurdler, starting defensive back.
- Darnell Chase, eight-time all-American, football wide receiver.
- Davy Duncan, all-America hurdler (2nd in NCAA), defensive back.

Baylor Traditions...

The Congressional Medal of Honor

Baylor University is believed to be the only school in America to have two former athletes go on to win the Congressional Medal of Honor. Both men, Jack Lummus and John (Killer) Kane, won the nation's highest military honor for heroics in World War II.

Lummus played football, basketball and baseball for the Bears from 1938 through 1941. He was an All-Southwest Conference centerfielder before signing with the New York Giants of the National Football League.

After one year of pro football, Lummus joined the Marines and was a platoon leader in the initial days of fighting on Iwo Jima. While leading a charge on enemy positions, Lummus stepped on a land mine and lost both legs. Despite the heavy bleeding that resulted, he led his platoon to knock out several pockets of Japanese fire, a vital part of the U.S. victory.

Lummus died of his wounds shortly after the battle.

Kane played football and basketball at Baylor and was a member of the ill-fated 1927 basketball team that lost 10 of its members in a bus-train wreck. Kane was one of 12 survivors.

Kane joined the Army Air Corps in 1932 and soon became a bomber commander of legendary proportions. It was said he was the best pilot and toughest commander in the Air Corps. It was often debated who feared him more—the Germans or his own men.

On August 1, 1943, Kane led what at the time was the deadliest air battle in history—a low-level, long-range bombing raid on Hitler's oil-refining complex in Ploesti, Romania. The site produced a major part of the Axis' fuel and was one of the most heavily-guarded locations in history.

"Sic 'Em Bears" and "Bear Claw"

In 1960, Baylor's yell leaders introduced the "Bear Claw" hand signal and "Sic 'Em Bears" yell. The initial student and faculty reaction to the yell and coinciding hand signal, made by slightly curving all five fingers inward to form a bear claw, was mixed.

The issue was a topic of hot debate, and their use was sporadic throughout the '60s until Grant Teaff arrived in 1972. Teaff initiated a new era of Baylor football and the "Bear Claw" and "Sic 'Em Bears" yell came to symbolize pride in Baylor athletics.

In addition to being used during the yell, the "Bear Claw" is held up during the playing of Baylor's school song, "That Good Old Baylor Line." Football players traditionally hold up their helmets during the playing of the school song.

Mascot Story

Back in the 1920s, Baylor received its first live mascot from troops of the 107th Engineers, a unit of the 32nd Infantry Division, which was stationed in Waco.

The bear, named Ted, made his first appearance at a Baylor-Texas A&M football game, and when the unit got its orders to move on, the bear was left in the hands of the Baylor athletic department. Since then, the use of bears at Baylor football and basketball games has become as much a fixture as the players, cheerleaders and bands.

Probably the best-known mascot was Joe College, who came to Baylor through the work of Bill Boyd, then a Baylor student. Boyd bought the bear from a zoo that went broke at the Cotton Palace in Waco. He then approached Baylor's president, Pat Neff, and offered to take care of the bear in exchange for free tuition. Neff accepted the deal and the tradition of live bears as mascots has continued since.

The current bear mascots appearing at games come from Bear Country USA, a drive-through wildlife park in South Dakota. They are rotated about every two years due to handling difficulties after the age of two and one-half.

In addition to the cubs which go to the games, a larger, older bear is kept at the Hudson Bear Plaza on campus. The honor of training and caring for the bears goes to the Baylor Chamber of Commerce, a campus service organization.

Most bears are North American black bears, a species that adapts well to humans.

Bear Nickname

Baylor was founded in 1845 but it was not until 1914 that then-president Samuel Palmer Brooks decided the time had come for the school to officially choose a nickname for its intercollegiate athletic teams.

In December of 1914 a vote of the student body was held and "Bears" won out in a very close vote over "Buffaloes." Other nicknames nominated were "Antelopes," "Frogs," and "Ferrets."

"That Good Old Baylor Line"

The alma mater of Baylor has been the rallying call to the school's thousands of students, ex-students and friends since shortly after the turn of the 20th century. Its present form, however, is altogether different from the original one. In fact, its title is the only thing that has remained intact through the years. The now famous title was conceived in 1907 when a group of Baylor men, led by William B. Todd, borrowed a tune from a Broadway musical hit of 1902, a sprightly waltz number called "In the Good Old Summertime." The text of that first pep-generating ditty embodies a dire threat to all gridiron foes, notably those of a sister institution of that time also located in Waco—the forerunner of Texas Christian University, then called Add-Ran College. Rivalry between the two student bodies was intense, hence, the Baylor men's threat to send their opponents home "done up in turpentine" after an encounter with the formidable Baylor "line." The words used in that first version have long since been abandoned. New words were written in 1931 by Enid Eastland Markham, a 1923 Baylor graduate.

Kevin Steele

Fully prepared for the job. The perfect fit. Very competent and diligent. The right man at the right place at the right time.

Those were the words of praise football insiders across the country offered when Kevin Steele became Baylor University's 23rd head football coach Dec. 18, 1998. And Baylor supporters hearing him speak or staffers working with him on a daily basis agree such accolades characterize Kevin Steele.

People who know Steele talk of an excellent college and professional coaching background which has built an outstanding understanding of the game. They acknowledge a work ethic which helps prepare teams and pays off in the recruiting wars. They address his commitment to high academic standards which helps players graduate. And they mention a dedication to the principles of Christian higher education.

"Kevin Steele is a very competent and diligent coach who works very hard, is thorough and professional in all that he does," said his former boss, Tom Osborne of Nebraska. "He is an excellent recruiter and has done a good job of relating with the players and making sure that his players are well prepared for all circumstances. He has coached at a number of schools and is well prepared to be a head coach."

Dr. Roger Grooters, Assoc. AD for Athletic Academic Services at Michigan State said, "Kevin Steele is one of the finest coaches I've had a chance to work with because first and foremost, he does place the role in proper order and that is: student first, and athlete second. He's shown a commitment to that and therefore I believe his future in collegiate athletics is very bright. If I were in a position to hire a head coach,

Kevin Steele is the kind of person I would be looking for."

Recruiting guru Max Emfinger added, "Three years ago, I rated the 10 best college recruiters in the country and I had Kevin Steele as one of the best. Every place he's been, he has always recruited the top players. I think Kevin is a very bright coach. One of the most important things for a head coach is the ability to recruit. Kevin is one of the best recruiters, and he will be one of the best head coaches ever because he can get anybody he wants."

Baylor Athletic Director Tom Stanton summed it up best when he introduced Steele to the Baylor family, saying, "I can't tell you how much Kevin Steele is a perfect fit for this institution, an absolutely perfect fit... People who know Kevin Steele know one thing: he's the right man at the right time for the right university."

"Kevin Steele is a man who is a professional and professional with integrity. He knows football and he has a brilliant football mind. He is who we are at Baylor University. He represents and stands for what we represent and stand for in the mission of Baylor. He's going to be an outstanding head football coach at this institution because he cares about the kids and believes in student-athletes. And while he knows a lot about football, he also knows about values and he knows about building character. He's going to be an outstanding coach because he's spent the last 20 years - half of his life - preparing for this moment."

The list of others endorsing Steele reads like a Who's Who of Football: Gil Brandt, formerly of the Dallas Cowboys; Mack Brown of the University of Texas; Bill Byrne of Nebraska; Phil Fulmer of Tennessee; Johnny Majors, formerly of Tennessee; Chuck Neinas, formerly of the College Football Association; Bill Pollan of the Indianapolis Colts and Dr. Jerry Punch of ESPN.

A look at the Steele resume bears witness to the testimony and support. After Steele played linebacker at Tennessee from 1976-79, Majors kept him on the staff as a graduate assistant. After holding that position in 1981 he received a promotion and spent the next year tutoring the Volunteer outside linebackers.

Steele then moved to New Mexico State, where he served recruiting coordinator and linebackers coach in 1983. From 1984-86 he was a member of Pat Jones' Oklahoma State staff where he coached linebackers and tight ends.

He moved back to Tennessee in 1987 to handle defensive backs and spent the next two years there

before heading to Nebraska to coach under the legendary Osborne. During Steele's years in Lincoln, the Cornhuskers went 60-11, appeared in six bowl games, won four conference championships and captured the 1994 national championship with a 13-0 record.

Steele's Bears will emphasize a power running game complemented by a quick-strike passing attack.

One of Steele's key recruits for the Huskers was quarterback Tommie Frazier, a current assistant coach on the BU staff.

In 1995 Steele made the jump to the NFL's expansion Carolina Panthers where he quickly earned the reputation as one of the league's top young assistants and gained what he described as "a doctorate in X's and O's."

Through every stop Steele has purposely taken one step after another to prepare himself for the day he would become a college football head coach, increasing his knowledge of the game and how to run a program. From Majors he learned the necessary organizational skills. From Jones he learned the art of motivating players. From Osborne he learned that while football is a game requiring hard work and discipline, above all it should be fun. And in the NFL he learned the finest details of football strategy and the keys to evaluating talent.

In the short time since he has become a college head coach, achieving a goal he set as a teenager, Steele has given Baylor fans plenty about which to be excited. A whirlwind speaking tour received rave reviews as Bear fans in dozens of cities embraced their new coach. A highly successful off-season program came sandwiched around a very positive spring training session, one which showed Steele's Bears will emphasize a power running game complemented by a quick-strike passing attack. They will employ an attacking defense built around speed.

Above all, Steele's offensive and defensive philosophies will be based on solid execution and doing what players can do best, emphasizing his belief the game should be fun for players and fans.

Calling recruiting his "hobby, like golf is to some people," Steele maintained his NCAA recruiting certification even while coaching in the NFL. He flatly labels Texas high school football and its coaches the country's best and plans to base his recruiting efforts in the Lone Star State while sprinkling in a handful of players from around the country.

The players Baylor signs will find a coaching staff dedicated to their complete development as young men. Steele has proven over and over he is a coach who knows there is much more to life than football. He stresses the importance of using his position to make a positive impact on his players, helping to lead them to the right choices at a critical point in their lives. Baylor University, with its mission which mirrors his faith, is the perfect place to achieve those goals, Steele believes.

The leader of Baylor's football fortunes comes from a football coaching family. His father, Pete, is a retired high school coach. His uncle, Tommy White, played at Alabama and coached college football at Oklahoma State. His brother, Dale, is a veteran coach currently on the Bear staff and another brother, Jeff, is an assistant athletic director at Kansas State.

Steele was born March 17, 1958 and grew up in Dillon, S.C. He graduated from Dillon High School in 1976 and the University of Tennessee in 1981. He and his wife, Linda, have a 12-year-old son, Gordon, and 10-year-old daughter, Caroline. Steele normally wakes up at 4:45 a.m. to train for distance races. He has completed several 26-plus-mile marathons and a few 50-mile ultra-marathon events.

Scott Smith

*Assistant Head Coach
Defensive Backs*

(l-r) Braden, Kelly, Scott and Shea

Scott Smith has come home to Baylor football again and will serve as assistant head coach and secondary coach for the Bears this season.

Smith first came to Baylor in 1977 as a quarterback, going 3-0 as the starter that season before taking a redshirt year the following season. He returned to spend three years at strong safety.

Smith graduated from Highland Park High School where he was very active in all aspects of student life. He lettered in baseball and football, and Scott served as vice-president of the Fellowship of Christian Athletes. Scott's leadership abilities flourished through athletics, and he was chosen as the Captain of the Varsity football and baseball squads. His performance at quarterback earned him the distinction of being named All-District, All-Metro, and All-Greater Dallas.

Smith was the recipient of the coveted "Fighting Bear" award in 1979, 1980 and 1981. His team played in the 1979 Peach Bowl, and the 1980 Southwest Conference Champion Baylor Bears played in the 1981 Cotton Bowl.

Smith spent the spring of 1982 coaching at Howard Payne University before moving on to coach the North Texas State University defensive backs during the 1982 season. In 1983, Smith returned to his high school alma mater, and he coached the defensive secondary for three seasons.

In 1985, he was named the head football coach at Garland High School. He turned the program around, and, in 1987, Scott led his team to the bi-district finals of the state playoffs. As a result, Smith was named District 9-5A and Dallas/Ft. Worth coach of the year.

Smith made the leap back to the ranks of college coaching in 1988 at Southern Methodist University. After a two-year stint coaching receivers and then running backs, Smith returned to Baylor to coach the secondary in 1990. His secondary was ranked 16th in the nation

in 1990 and 23rd in 1991. He joined Baylor in the 1991 Copper Bowl and the 1992 John Hancock Bowl.

Smith next spent a year coaching linebackers at the University of Arkansas before returning to Texas high school football. He was athletic director and head football coach at Duncanville, where his team won its first-ever football playoff game in 1994. Duncanville was also named the top 5A athletic program in the Dallas area for the 1995-96 school year.

Smith returned to Highland Park in 1996 as athletic director and head football coach, where he went on to earn a pair of district co-coach of the year awards. Highland Park made it to the state semifinal game in 1996, was area champion in '97 and regional finalist in '98. Smith compiled a 35-7 record during his three-year tenure. In 1998, Highland Park was named the top 4A athletic program in the Dallas area and was the first recipient of the Lone Star Cup All-Sports Award for having the top athletic program in the state.

Scott also served as a board member for the Texas High School Coaches Association. Scott is married to the former Kelly Hudspeth, a Baylor graduate and former Baylor cheerleader. They have two sons: Shea (12) and Braden (10).

Andrea Haley

**Defensive Coordinator
Linebackers**

Tina and "Brick"

Andrea "Brick" Haley will serve as the defensive coordinator under the new Steele regime. In addition to his duties as defensive coordinator, Brick also oversees the coaching and development of Baylor's linebacking corp.

Brick Haley graduated from Emma Sansom High School in Gadsen, Ala., in 1984. He then went on to play for Alabama A&M, where he earned considerable honors as a linebacker for the Bulldogs. Haley served as team captain in 1988 and 1989. He received the Inspiration Award (1987), Most Valuable Player (1989), and Player of the Year Award (1988-89). He also earned a spot on the Division II all-America team in 1988 and 1989.

Haley remained at Alabama A&M as a student assistant coach before taking a job at Enterprise High School in Enterprise, Ala. Then in 1990, Haley became a graduate assistant coach at the University of Arkansas, where he was responsible for the Razorback defensive line.

Haley then coached the defensive line at Austin Peay State University in Clarksville, Tenn. In 1992, he served as the defensive line coach and assistant head coach.

Haley moved to Troy State University in 1994, where he worked as the defensive line coach before being named defensive coordinator in 1996. During that time, Troy State allowed only 115 rushing yards per game, while the defense racked up 39 sacks.

In 1997, Brick became the outside linebackers coach for the University of Houston. He then took a similar position at Clemson University in 1998.

A skilled recruiter, Brick has recruited and coached many athletes who moved on to play in the National Football League. The list of Haley proteges includes: Jeff Gooch, Tampa Bay Bucs; Pratt Lyons, Tennessee Oilers; Reggie Lowe, Seattle Seahawks; Donnell Gilyard, New York Giants; Michael Swift, Carolina Panthers; and Kurt Pointer with the Pittsburgh Steelers.

"From my players, I expect effort. I expect them to listen and to learn. I expect them to be where they are supposed to be when they are supposed to be there," Haley said. I think every individual is different, and you have to deal with their differences. You also have to be fair. I think the kids have to know that you are being fair with them."

Andrea Haley is married to Tina DeLaine Haley

Assistant Coaches

Greg Meyer

**Offensive Coordinator
Quarterbacks**

(l-r) Marisa, Greg, Daryl and Makenzie

Greg Meyer is in his first season as the offensive coordinator and quarterback coach for Baylor and brings solid experience at helping a program achieve new heights.

Meyer served as the offensive coordinator at Northwestern University for the past seven years and was responsible for helping to build a Wildcat offense that was ranked second in the conference in passing offense. In 1996, Meyer's offense scored 336 points and 41 touchdowns, both school single-season records.

Meyer was part of a Wildcat staff which led the team to Big 10 championships in 1995 and '96. Meyer's dominating offenses were showcased in the 1996 Rose Bowl and the 1997 Citrus Bowl

All-America and Heisman Trophy finalist Darnell Autry, first-team all-Big Ten quarterback Steve Schnur, Big Ten most valuable player Lee Gissendaner and all-America receiver and Chicago Bears third-round draft pick D'Wayne Bates are just a few players who had tremendous success under Meyer.

Meyer's history of success is not limited to Northwestern. Meyer began his coaching career in 1974 as an assistant football coach at Pomona High School in Arvada, Colo. In 1980, Meyer moved to Arizona State University, where he was an offensive assistant working with receivers and tight ends for five years. During that time, he coached with offensive line coach Lonnie Hansen and was part of the 1985 Fiesta Bowl championship team. Meyer went to Wichita State University in 1985 to coach quarterbacks and tight ends for two years. It was here where he first met Baylor head coach Kevin Steele. He also worked with receiver coach Dale Steele and was reunited with Hansen.

Meyer first became an offensive coordinator at Ball State, where he coached quarterbacks and receivers from 1987-89. In that role, he was able to utilize the talents of running back Bernie Parmalee, who went on to play with the NFL's Miami Dolphins. That offense also broke nearly every passing record in the history of the school.

From there, Meyer served as offensive coordinator and quarterback coach at Toledo for two seasons and helped lead the Rockets to a share of the Mid-American Conference title in 1990.

Meyer graduated from Thomas Jefferson High School in Denver, Colo., where he played quarterback in football and shortstop in baseball. He then went on to graduate from the University of Northern Colorado in 1974 with a bachelor's degree in science. He lettered two years in baseball and was part of a UNC baseball team that played in the 1974 College World Series in Omaha, Neb., and finished fifth in the nation.

Sloan was born in Coleman, Texas, in 1949, but was reared in Abilene, Texas, where he graduated from Cooper High School in 1967. He attended Baylor from 1967 to 1970 and was a member of the baseball team his freshman year. He graduated ahead of his class, earning a bachelor of arts degree cum laude in 1970. Sloan joined the faculty of Baylor's Department of Religion in 1983 after teaching at Southwestern Baptist Theological Seminary in Fort Worth. In 1990 he became the first holder of the George W. Truett Chair in Evangelism at Baylor, and in 1993 he was appointed dean of the seminary. Baylor Regents in February 1995

named Sloan to succeed Dr. Herbert H. Reynolds as president of the University.

Sloan has held positions as pastor or interim pastor of more than 20 churches in Texas, Oklahoma, New Jersey, and in Germany. From 1991-92 he was president of the Southwest Commission on Religious Studies. He is a member of the Society of Biblical Literature, the Institute for Biblical Research, the National Association of Baptist Professors of Religion and Studiorum Novi Testamenti Societas. He has authored two books, assisted with editing of several books, and published more than 50 articles and chapters for scholarly or ecumenical journals and publications. He has presented numerous academic papers and received several awards and grants for his scholarship. Sloan served as the designated convention preacher for the 1991 Baptist General Convention of Texas, which met in Waco.

He currently serves on the Executive Committee and as treasurer of the Big 12 Conference Board of Directors, which is composed of the chief executive officers of each of the Big 12 member institutions. He is active in a number of local civic organizations and currently serves as co-chair of the Waco Chamber of Commerce Big 12 Task Force and as a member of the Cooper Foundation Board of Directors. He also has served as school board president for the Lorena Independent School District. Tom Stanton

Athletic Director

Now in his fourth year as director of athletics is Tom Stanton, a former Bear basketball standout and business leader whose enthusiasm, vision and leadership skills are preparing Baylor to hold a strong position in America's premier conference.

Baylor president Dr. Robert B. Sloan Jr. named Stanton Baylor athletic director Feb. 23, 1996.

The 48-year-old Stanton came to Baylor in July of 1995 as the director of athletic marketing and promotions following a 22-year career with Word Inc., an international Christian communications company.

Stanton held several positions at Word, among them director of telemarketing, vice president for marketing, vice president for operations, senior vice president for operations, executive vice president for finance and operations, and executive vice president for operations, direct marketing and international export.

Word Inc. was acquired by Thomas Nelson Inc. in 1992, and in 1993 Stanton was named president of Nelson/Word Direct and Texas Operations. Stanton was responsible for three major divisions of the company.

Stanton holds bachelor's and master's degrees in business from Baylor. He lettered three years in basketball and two in baseball. He finished his basketball career at Baylor in 1972 with 954 points. He won the team's Hustle Award three consecutive years, and as a junior he was second on the team in scoring behind all-America William Chatmon.

Upon completing his playing career, Stanton served as a graduate assistant coach on the Baylor basketball staff.

Since coming to Baylor, Stanton has been instrumental in helping the university establish all-time football attendance records with an average of 40,542 per game in 1995. Season ticket sales have increased each year, reaching 13,507 last year. Also, Baylor in '95 set records for the largest home opener crowd ever (42,327 for Oregon State) after setting the record for the largest crowd in school history (51,218 for Texas A&M) the previous season.

Like ticket sales, both memberships and donations to the Bear Foundation have risen each year. The Bear Foundation's annual contribution toward athletic scholarships has more than doubled since Stanton's return to his alma mater.

Most Baylor fans would point to the university's rising fortunes on the fields and courts of competition as Stanton's most important legacy. Last year, Baylor finished fourth among all Big XII Conference schools in overall department rankings. When Baylor finished fifth the season before, it corresponded with a jump from 125th to

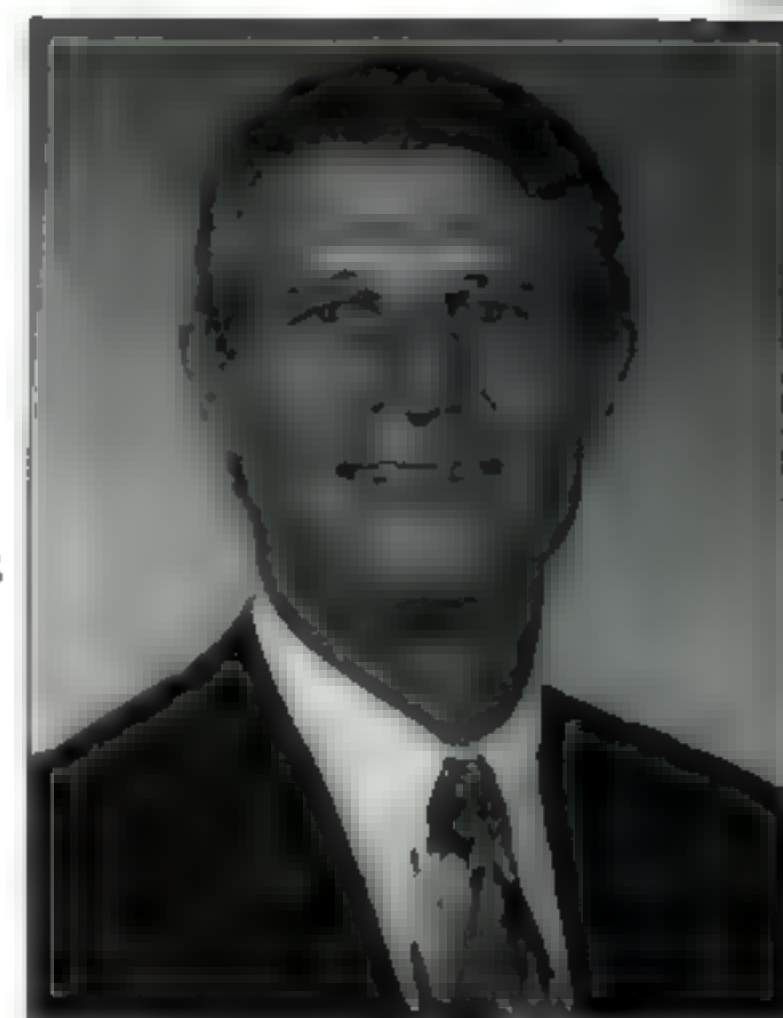

65th in the Sears Director's Cup rankings, the largest jump in the nation. This year, Baylor climbed even higher, to 39th.

Much of his attention is now focused on what is likely the most aggressive building campaign in the history of Baylor athletics. Recent projects have included upgrading of the Hart-Patterson Track Complex to among the best on-campus track facilities in the nation, switching to SportGrass inside Floyd Casey Stadium and the addition of a turf practice field for the football team. Baylor is now completing work on new state-of-the-art facilities for baseball, softball, soccer and a Floyd Casey Stadium press box with luxury suites. A new facility for tennis will break ground in the fall.

Stanton recently turned his attention to bringing football and men's basketball up to speed with the rest of Baylor athletics' success in the victory column. He hired rising star Kevin Steele to handle the Bears' football fortunes, while he caught the attention of the nation's basketball community by luring one of college basketball's biggest names, Dave Bliss, to head Baylor basketball.

In addition to his work at Baylor, Stanton has been heavily involved in the Big XII Task Force, a group of several hundred community and civic leaders who are ensuring a smooth and successful transition for Baylor and Waco in the Big XII Conference. During the 1997-98 school year, he served as chair of the Big XII athletic directors and will play a significant role in the conference strategic planning process.

GAME #1

BAYLOR-17 OREGON ST.-27

Sept. 12
Corvallis, Ore.
Parker Stadium (26,243)

The Oregon State defense held Baylor to just three points through the first three quarters and beat the Bears in their season opener, 27-17.

On the first play from scrimmage, Baylor jumped offside to signal an ominous start to the season. Baylor recorded 140 yards on 19 penalties for the afternoon.

Baylor kicker Matt Bryant got the Bears on the scoreboard for the first time with a 21-yard field goal with 1:48 left in the first half.

Beavers running back Ken Simonton had two touchdowns and 87 yards rushing in the first half.

Sophomore quarterback Odell James started the game and in the second half recorded the first touchdown of the season on a seven-yard run to begin the fourth quarter.

After an interception by the Bears defense, running back Anthony Overstreet carried Baylor into the end zone for its second touchdown of the game to cut the Beaver lead to 27-17.

The Overstreet touchdown would be the last of the day. Baylor had three more possessions in the final three minutes but could not convert them into points.

OSU kicker Jose Cortez hit field goals from 50 and 51 yards to hold off the Baylor charge.

GAME #2

BAYLOR-33 N. CAROLINA ST.-30

Sept. 19
Waco, Texas
Floyd Casey Stadium (28,743)

Baylor would take advantage of several first-half turnovers by the Wolfpack to take a 26-0 halftime lead. The Bears then survived a second-half passing attack to hold onto a 33-30 victory, their first of the season.

BU kicker Matt Bryant would start the scoring with a 32-yard field goal in the first quarter.

On the Wolfpack's next possession, the snap to the punter was mishandled and downed in the end zone as Baylor recorded its first safety of the season.

Baylor's defense came up big again in the second quarter as Kenyada Parker picked up quarterback Jamie Barnette's fumble and ran it back 82 yards for a Baylor touchdown.

As the second half opened, North Carolina State began with a flurry of scores. Barnette found all-American receiver Torry Holt for touchdowns of 80 and 11 yards. Holt finished with 11 catches for 255 yards.

Baylor's only score in the second half came 14:11 to go in the fourth quarter as Odell James punched one in from four yards out.

After a 34-yard run by Ray Robinson, N.C. State was down by only a field goal. With 3:20 left on the clock, the Wolfpack started a drive from their own 26-yard line that would see two fourth-down conversions completed.

With only four seconds left in the game, N.C. State kicker Kent Passingham lined up for a 39-yard field goal to send the game into overtime. However, Bears cornerback Gary Baxter made an impressive dive from the corner to get a hand on the kick and preserve a 33-30 Baylor victory.

GAME #3

BAYLOR-16 COLORADO-18

Sept. 26,
Boulder, Colo.
Folsom Field (46,603)

Baylor's first Big XII game of the year would prove to be a close one all the way to the wire, but the Buffs came out victorious, 18-16 in Boulder.

Colorado got off to a rocky start, turning its first two plays into turnovers, but was fortunate to hold Baylor to no points on the miscues.

The Buffs drew first blood on the evening as a snap to Baylor punter Kyle Atteberry sailed over his head and was downed in the end zone for a Buffaloes safety. Soon after that miscue, a fumble in the BU backfield led to a Colorado field goal.

The Bears got on the board in the first half as Matt Bryant hit a 48-yard field goal with no time remaining on the clock.

After a rushing touchdown in the third quarter by CU quarterback Mike Moschetti to make the score 15-3, Baylor began a heroic comeback on the strength of its special teams. Nikia Codie blocked a Colorado punt and recovered it in the end zone for a BU touchdown.

Darrell Bush took control of Baylor's next possession, scoring from two yards out to put the Bears ahead 16-15. A two-point conversion failed.

Moschetti left the game with an injury, and with 6:25 left in the game, backup Adam Johnson would lead the Buffs 87 yards to set up the game-winning field goal.

A last gasp effort by the Bears was unsuccessful, and the Buffs held on for the victory at home.

GAME #4

BAYLOR-29 TEXAS TECH-31

Oct. 3
Lubbock, Texas
Jones Stadium (38,801)

In yet another game that went down to the wire, the Red Raiders' Ricky Williams ran for 175 yards on 29 carries to carry Texas Tech to a 31-29 victory.

The first quarter was quiet on all accounts, with neither team doing much on either side of the ball. Texas Tech's Williams was held to five yards on six carries.

Baylor's defense came up big in the second quarter as Nikia Codie blocked his second punt of the year to lead to a Matt Bryant field goal and a 3-0 Bears lead.

Texas Tech came back with a 15-play, 80-yard drive capped off by Tech quarterback Rob Peters' one-yard touchdown run.

Baylor running back Elijah Burkins answered a Tech field goal with a touchdown run of two yards to even the score up at 10-10.

On the Red Raiders' next possession, receiver Donnie Hart caught a 38-yard touchdown pass to put them up by a touchdown.

After another Matt Bryant field goal to start the fourth quarter, the Ricky Williams show began. Williams took his first carry of the quarter 36 yards for his first touchdown of the game.

Tech seemed ready to put Baylor away, but the Bears simply would not quit. Bryant notched two more field goals, and Williams got his second touchdown to make the score 31-23.

With just 2:26 remaining on the clock, Bears' quarterback Jermaine Alfred engineered an 8-play, 90-yard scoring drive highlighted by passes of 22 yards to Derrius Thompson and 25 yards to Morns Anderson. Darrell Bush took a draw play into the end-zone for the touchdown. All that remained was the two-point conversion. Alfred rolled out of the pocket and scrambled toward the sideline looking for a receiver. He found one but was ruled out of bounds on the play.

GAME #5

BAYLOR-31
KANSAS-24

Oct. 10
Waco, Texas
Floyd Casey Stadium (31,271)

Baylor scored three times in the fourth quarter against the Kansas Jayhawks to record its first Big XII win of the season.

It was the defense again that bolstered the Bears early, as defensive end Clifton Rubin returned a fumble 27 yards for the first score of the game, late in the first quarter.

The offense of Baylor came alive in the second half as the day's triple-threat package of running back Darrell Bush, wide receiver Morris Anderson, and starting quarterback Jermaine Alfred compiled 457 yards of total offense.

Alfred and Anderson would hook up for a quick second-half touchdown to even the score at 14-14, but by the end of the third quarter, Baylor would find itself trailing 24-14.

With good field position to start the final period, Bears full-back Derek Lagway would break through for an impressive 19-yard gallop to pull Baylor within three. After a Matt Bryant field goal to tie up the score at 24 with four minutes on the clock, Baylor got the ball back with time for a final drive. Starting at its own 10-yard line, Baylor made the most of this last opportunity. On the first play, tailback Darrell Bush scampered 70 yards and would later get the game-winning touchdown from one yard out.

It was an impressive day for the offense, and much credit was given to the Baylor defense for holding Kansas scoreless on its final four possessions.

TEXAS A&M-35

Oct. 17
Waco, Texas
Floyd Casey Stadium (42,333)

The Bears would not roll over for the Aggies, who were fresh off a win over Nebraska, but Baylor did fall 35-14 on a rainy night at Floyd Casey Stadium.

Baylor's offense was never in tune against the Ags and BU once again relied on its defense to stay in the game. In the first half the defense did its job, holding Texas A&M to just 14 points. Baylor was stymied by the Aggie defense, gaining only 69 yards of offense through two quarters.

The Aggies hit a big play in the second half, scoring on a reverse and a halfback pass to a wide-open Derrick Spiller. The Aggies would later use a fake punt to seal the game.

Baylor did come up with an impressive scoring drive in the third quarter that went 72 yards on 15 plays, capped off by Elijah Burkins' one-yard run. Quarterback Odell James did not start the game but did come in and completed 11 of 17 passes with one touchdown and rushed 16 times for 45 yards.

GAME #7

BAYLOR-20 TEXAS-30

Oct. 24
Austin, Texas
Royal-Memorial Stadium (81,437)

With just four minutes to go in the fourth quarter, the Bears could not hold Heisman Trophy winner Ricky Williams as he scored twice and the Longhorns escaped with a 30-20 victory.

Once again, the defense of Baylor drew first blood as Rodney Smith picked off Texas quarterback Major Applewhite and ran it back 39 yards for the Baylor score.

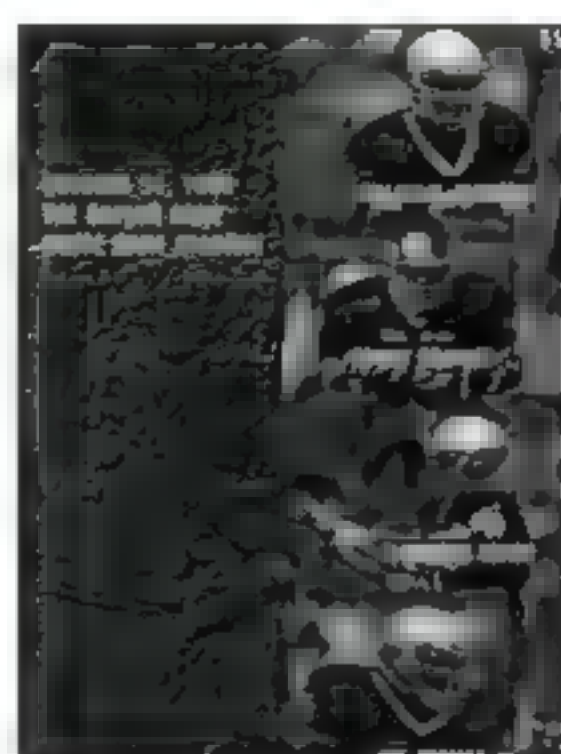

The Bears' defense kept Williams out of the end zone in the first half, limiting Texas to just two field goals and a safety after a bad snap.

The second half found Baylor charged up and ready to go. Several penalties allowed Texas to continue its offensive attack. The defense made up for it however, as Bears defensive end Clifton Rubin forced a Williams fumble that set up an Elijah Burkins two-yard touchdown run.

With Texas driving in the fourth quarter, Baylor cornerback Gary Baxter picked off Applewhite in the end zone, but the Bears could not convert that turnover into points.

The Horns and the Bears traded touchdowns, giving Baylor a 20-16 advantage with just 4:30 left in the game. That's all the time Williams needed to compile 80 yards and two touchdowns, the last one coming after Baylor fumbled the Texas kickoff.

Baylor dropped to 2-5 on the season and 1-4 in the Big XII with the loss at Austin

GAME #8

BAYLOR-3 NOTRE DAME-27

Oct. 31
South Bend, Ind.
Notre Dame Stadium (80,012)

It was all tricks and no treats for the Bears, as the Fighting Irish romped 27-3 over Baylor on Halloween.

Things would not start out well for Baylor, as the Bears caught three penalties on their first drive. The defense started out hot again as Bears linebacker McKinley Bowie recovered an Autry Denson fumble, but BU could not capitalize on the turnover.

The Irish would score first on a 32-yard field goal with 1:37 left in the first quarter. In the second, Autry Denson tried an ill-advised halfback pass that was picked off by Baylor cornerback Gary Baxter and returned 59 yards to set up a Matt Bryant field goal.

Notre Dame's next drive appeared to be snuffed out again by the Bears as Nikia Codie picked off Jarious Jackson's goal line pass, however a defensive holding call nullified the turnover. Denson crashed through the line three plays later for a touchdown. The Irish added another touchdown before the half was up to lead Baylor 17-3.

Denson dominated the second half as well, scoring another touchdown early in the third period. Denson finished with 24 carries for 189 yards

Quarterback Odell James saw action in the second half and led an impressive drive that went 67 yards in 12 plays, but Matt Bryant's 48-yard field goal attempt went wide right.

Baylor rushed for only 33 yards on the afternoon in front of a national television audience on NBC.

GAME # **9**

BAYLOR-6
KANSAS ST-49

Nov. 7
Waco, Texas
Floyd Casey Stadium (38,217)

Baylor welcomed the No. 4 team in the country to Homecoming weekend and saw the Wildcats spoil the fun in a 49-6 blowout.

KSU controlled the game from whistle to whistle. Baylor fumbled its opening possession, which led to the first Wildcat touchdown with less than two minutes off the clock.

Baylor wasted no time in changing quarterbacks. On the next series, Odell James entered the picture, and after completing his first pass for 12 yards and rushing for 18 on the following play, James was intercepted for Baylor's second turnover in less than four minutes. KSU converted the miscue into its second touchdown.

The game settled down a bit after the opening fireworks. Anthony Overstreet broke loose for a 43-yard gain that would result in a missed 42-yard field goal by BU kicker Matt Bryant.

The Bears' defense came up big on the next series, holding KSU on a fourth and one as defensive lineman Dwight Johnson broke through to make the stop.

Preseason Heisman hopeful Michael Bishop, quarterback for the Wildcats, demonstrated his ability on the next drive, completing six of eight passes including a six-yard strike for their third touchdown of the half.

After holding the Wildcats on their first possession of the second half, the Bears' offense showed signs of life by marching 71 yards for another Bryant field goal.

The fourth quarter would see KSU add some late scores, including a touchdown with no time on the clock.

OKLAHOMA-28

Nov. 14
Waco, Texas
Floyd Casey Stadium (27, 930)

In what looked to be the Bears' best chance for their third win of the season, the Sooners had different plans and won a sloppy game 28-16.

Baylor and Oklahoma swapped turnovers on their opening possessions and closed out the first quarter with neither team scoring. A field goal by Baylor kicker Matt Bryant with 9:15 in the second period was the only scoring on the board for either team going into halftime.

The Baylor Bears defense continued its scoring early in the third quarter when defensive end Clifton Rubin intercepted a Jake Sills pass and returned it 18 yards for the first touchdown of the game.

What happened over the next 25 minutes took away the last chance for a third home victory on the season. The Sooners scored 28 unanswered points, and that was all they needed for the victory in Waco. OU running back De' Mond Parker rushed for 207 yards and three touchdowns. That ended the 1998 home season.

GAME #11

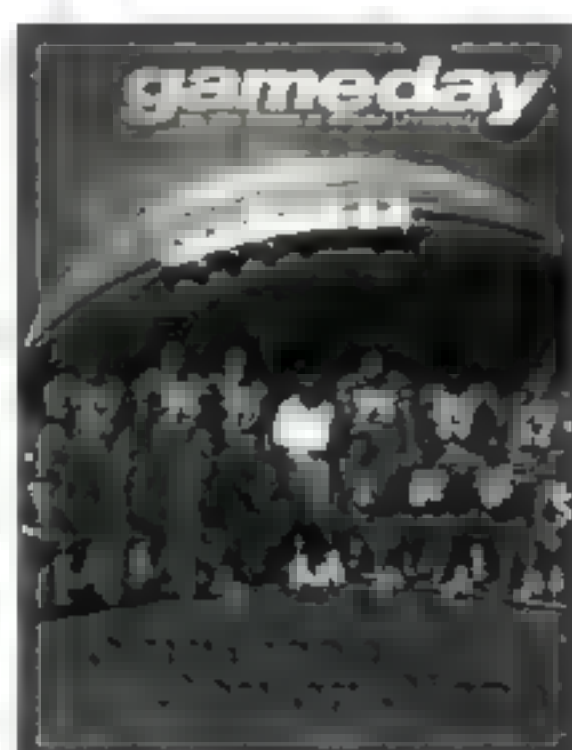

BAYLOR-10

OKLAHOMA ST-24

Nov. 21

Stillwater, Okla

Lewis Stadium (28,750)

The 1998 season ended on the road in Stillwater, and it ended on a sour note for the Baylor Bears.

Baylor started out hot versus the Cowboys. Senior tailback Anthony Overstreet, playing in his final game, rushed eight times for 84 yards in the opening quarter, setting up a Matt Bryant 45-yard field goal.

The Bears' coverage team got the job done on the ensuing kickoff. James Calvin recovered a fumble that would result in an Elijah Burkins five-yard touchdown run. Unfortunately for the Bears, it was their last points of the season.

OSU scored 24 unanswered points to turn the tide, taking advantage of two turnovers and 13 penalties by Baylor. With five minutes to go in regulation, the Bears found themselves down only a touchdown and had the ball at their own 20-yard line. The Cowboys held tough, and Baylor was unable to convert the opportunity into points. The Pokes scored on their next possession, putting the game out of reach with 1:26 left to play.

A few of the Baylor seniors would go out in style as Leonard Hill and Overstreet had career afternoons. Hill, starting at one linebacker spot, led the team in tackles with 10, seven coming unassisted. Overstreet rushed for 113 yards on 22 carries.

Baylor finished 2-9 on the season and ended with six straight losses.

BAYLOR - 20

WAKE FOREST - 7

Although edged in the final statistics, coach Bob Woodruff's Baylor Bears won the first bowl appearance in the school's history by defeating Wake Forest 20-7 in the second annual Dixie Bowl.

Wake Forest, although gaining 277 total yards compared to Baylor's 212, fell behind 20-0 at halftime to the upstart Bears and could never seriously threaten the 6-3-2 victors. Bear defender George Sims recorded the game's first turnover when he intercepted a Deacon pass in their first possession and returned it 52 yards to the Wake Forest eight-yard line.

Sammie Pierce, who averaged 13.1 yards a carry against the 6-3 Deacons, scored the first touchdown from a yard out and Jerry Mangrum scored from the same distance in the second quarter to give Baylor a 13-0 lead. The Bears increased the margin to 20-0 off a 68-yard drive, highlighted by a Pierce 40-yard romp. Quarterback Ray Painter, who had attempted only seven passes during the regular season, passed the final 12 yards to Harold Riley for the score. Hank Dickerson added his second PAT for the day.

All-American quarterback Adrian Burk completed five passes for 69 yards, with two of the completions going to Riley. James Parker also hauled in a Burk aerial for 23 Baylor yards. James Parker led the Baylor rushing attack with 43 yards on eight carries.

Pepper Rodgers kicked a 13-yard field goal with three minutes remaining to give Georgia Tech a 17-14 come-from-behind victory over Baylor in Miami's Orange Bowl contest.

Tech scored 10 fourth quarter points on Rodgers' effort and a Buck Martin touchdown reception, while holding Baylor scoreless to nip the 8-1-1 Bears. Bear fullback Dick Parma scored the game's first touchdown from a yard out and the legendary C. O. Brocato added the PAT as Baylor led 7-0 in the first quarter.

After Tech knotted the score at seven, Baylor drove 63 yards, capped by Jerry Coody's four-yard scoring blast, to give the Bears a 14-7 halftime margin. Coody was the team's leading ground gainer during the regular season, picking up 570 yards on 125 carries.

But coach Bobby Dodd's Tech squad used Rodgers and Martin's last quarter heroics to take their comeback win.

The Orange Bowl loss was Baylor's second of the 1951 season, the first coming at the hands of TCU 20-7. Larry Isbell, who threw for 1,430 yards during the regular season, attempted 18 passes against Georgia Tech, completing eight for 93 yards. Parma was the contest's top ground gainer with 107 yards on 19 attempts.

All-American end Stanley Williams, who caught 37 regular season passes for six touchdowns, and Harold Riley each caught three Isbell passes. And defensive back Robert Reid, who established a school interception record with 11 regular season swipes, intercepted one pass from Tech quarterback Darrell Crawford.

AUBURN - 33

Thirteenth-ranked Auburn scored five of the first six times they touched the football on their way to a 33-13 thrashing of Baylor in the 1954 Gator Bowl.

The Tigers, who established three Gator Bowl records and tied another in the rout, outgained Baylor 476 to 239 in total yardage.

Bear all-conference halfback Del Shofner fumbled the opening kickoff and the Tigers recovered on the Bear 27-yard line. Five plays later, Auburn scored the game's first touchdown and led 7-0. Baylor tied the game by driving 63 yards in nine plays, the majority coming off a Billy Hooper pass to Charles Smith. Fullback Reuben Saage scored from a yard out and Smith kicked the conversion to tie the game at seven.

But before Baylor scored again, Auburn led 27-7. Joe Childress, the game's leading yard gainer with 134 yards, scored his second touchdown of the game and Bob James added a 43-yard scoring jaunt to give Auburn a 21-7 halftime edge.

Tiger quarterback Bobby Freeman gave his squad a 27-7 lead on a six-yard romp.

All-America halfback L. G. (Long Gone) Dupre butted his way for a 38-yard scoring play to cut the lead to 27-13 midway through the third quarter. Dupre, the Bears' third leading rusher during the regular season behind Shofner and Allen Jones, finished his team's leading rusher against the Tigers with 69 yards. Freeman completed the scoring with a four-yard fourth quarter pass to end Jimmy Long. Hooper, an all-conference honoree, finished with nine completions in 15 attempts for 112 yards, with four of the aeriels going to Smith. Dupre returned three Auburn kickoffs for 85 yards as the Bears finished 7-4 for the season. Shug Jordon was the winning Auburn coach while George Sauer saw his Bears go down to defeat.

Reuben Saage recovered Tennessee all-American halfback Johnny Majors' fumble of a Del Shofner punt and Baylor then drove 15 yards for the winning touchdown in the Bears' 13-7 upset over the undefeated Volunteers in the 23rd annual Sugar Bowl.

Bear quarterback Buddy Humphrey scored the winning touchdown on a one-yard sneak and Don Berry added the conversion for the 10-2 Bears of coach Sam Boyd. Baylor scored first, despite being a one-touchdown underdog, when quarterback Bobby Jones threw a 12-yard scoring strike to Jerry Marcontel in the second quarter. But Majors, who averaged 5.1 yards per rush, who completed better than 60 percent of his passes and punted for a 42.3 yard average during the regular season, gave the Volunteers the lead in the third quarter by reaching pay dirt from a yard out. Sammy Burklow added the PAT and Tennessee led 7-6. After the Volunteers held Baylor on their first possession of the fourth quarter, Shofner punted to the Tennessee eight. Majors returned the kick seven yards before coughing up the pigskin and Saage was there to make the big play for Baylor.

The contest matched the Southeastern Conference champion Vols against Baylor, who suffered a 7-6 loss to Texas Christian and a 19-13 setback to Texas A&M during the regular season. Tennessee and coach Bowden Wyatt swept through a 10-game schedule in which they conquered five teams that participated in bowl games New Year's 1956. Only seven points separated Baylor from an unbeaten record. Baylor halfback Del Shofner, running behind an offensive line headed by all-American Bill Glass, finished with 88 yards rushing in 14 carries and also intercepted an Volunteer aerial. For his play, Shofner, who scored ten touchdowns during the regular season, was voted the game's outstanding player. Bobby Peters contributed 60 yards rushing for Baylor while Saage added 39 yards. Bear quarterbacks Humphrey, Bobby Jones and Doyle Traylor could only complete three passes, all going to end Morcontell. Peters added 54 yards in kickoff runbacks.

FLORIDA - 13

Coach John Bridgers' pro-modeled Spread-T Baylor offense could muster only two touchdowns against a swarming Florida defense as the Gators took a 13-12 decision in the 16th annual Gator Bowl.

On the Bears' first possession of the second quarter, a pitchout from quarterback Ronnie Stanley to all-American halfback Ronnie Bull was mishandled and Florida's Chet Collins recovered on the Baylor 20-yard line.

It took the Gators five plays to score and fullback Don Goodman plunged the final three for the tally. Bill Cash added the conversion and Florida led 7-0 with 8:42 remaining in the half. Coach Ray Graves' squad extended their lead to 13-0 later in the same stanza when Gator defender Ronnie Slack recovered a Stanley fumble in the end zone for the quick six points. Florida traveled 20 yards for their two scores while Baylor went 139 yards for the same results. Down 13-0 in the fourth quarter, the Bears, who finished 8-3, put forth a furious surge that resulted in 12 points.

On the first play of the quarter, quarterback Bobby Ply threw 11 yards to Ronnie Goodwin for the score, ending a 71-yard, nine-play drive. With 1:01 remaining, Ply, who threw for four touchdowns during the regular season, and Stanley put the Bears in position to score with three completed aerals. Bull, Baylor's leading rusher and scorer, went the final three yards for the score. However, the two-point try from Ply to Goodwin was juggled and dropped and the Gators had their hard-earned victory.

Ply established a new Gator Bowl record with 13 completions and teamed with Goodwin (seven receptions) for five.

Eight Utah State turnovers and outstanding performances by halfback Ronnie Bull and sophomore quarterback Don Trull led Baylor to a 24-9 victory over Utah State in the inaugural Gotham Bowl at the Polo Grounds.

Baylor recovered their first of five Utah fumbles and went 45 yards to score the first time it had the ball. Bull, who had 86 total yards and was voted the game's Most Valuable Player, scooted 15 yards for the initial Bear touchdown.

In the second quarter, Carl Choate kicked a 22-yard field goal for Baylor and Trull added the third score on a quarterback sneak covering two yards. Trull, who passed for 116 yards against the nation's number two defensive unit, connected with Ted Plumb for a 38-yard fourth quarter touchdown pass to end Baylor's scoring.

Choate was perfect in three extra point tries and Bull and Plumb combined for seven pass receptions. Utah State, who entered the game with a 9-0-1 mark and a share of the Skyline Conference championship, was favored to beat coach John Bridgers' Bears, who finished with a 5-5 regular season slate.

Coached by John Ralston, the Aggies featured three standouts who later starred in professional football: all-American tackle Merlin Olsen, quarterback Bill Munson and place-kicker Jim Turner.

Many observers felt the game's highlight came at halftime when the New York City Sanitation Department Band performed in a driving snowstorm. As a souvenir of their trip to New York City, members of both teams were given shoe shine kits.

BAYLOR - 14 LOUISIANA STATE - 7

The 5th annual Bluebonnet Bowl at Rice Stadium saw Baylor All-American quarterback Don Trull finish his collegiate career in grand style in the Bears' 14-7 win over Louisiana State

Trull, voted the contest's most outstanding back, completed 26 of 37 passes for 255 yards and both Baylor touchdowns. End James Ingram, the game's most outstanding lineman, caught 11 of Trull's passes for 163 yards and seven- and 13-yard scoring strikes. The Bears totally dominated their opponent, running 80 plays to LSU's 39 and racking up 394 total yards compared to the Tigers' 108.

Dalton Hoffman was the leading rusher for both teams, gaining 70 yards for Baylor, who ended the season 8-3. Tom Davies kicked both Baylor conversions.

The Tigers scored first, moving 43 yards in seven plays in the first quarter. Bill Soefker went the final eight steps for LSU and the Tigers led 7-0.

Baylor scored their first touchdown with 13:10 remaining as Trull hit Ingram for the seven-yard strike. The Bears moved 68 yards in ten plays for the score with Trull completing three passes. On their next possession, the Bears drove 70 yards in 11 plays for the winning score. Four completed Trull attempts, two each to Lawrence Elkins and Ingram, highlighted the scoring march.

Baylor, who lost to Oregon State, Texas and Kentucky during the regular season, was led during the year by all-Americans Trull and Elkins, all-conference tackle Bobby Crenshaw and top rusher Hoffman.

Quarterback Tom Shuman established Cotton Bowl records in passing and total offense and flanker Jimmy Cefalo did likewise in receiving yards in Penn State's 41-20 decision over Baylor in the 1975 Classic

For the fifth time in their 10-victory 1974 season, the Lions came from behind to win. The victory spoiled Baylor's first appearance in the Dallas event, coming on the heels of the school's first Southwest Conference championship since 1924.

Baylor captured a 7-0 first quarter lead with Steve Beard's four-yard blast. Bubba Hicks added the PAT conversion with 44 seconds remaining in the opening quarter. A Matt Bahr 25-yard field goal closed the Bears' lead to 7-3 at intermission. After the Nittany Lions took their first lead off Tom Donchez' one-yard blast, all-conference quarterback Neal Jeffrey put Baylor ahead 14-10 with a 35-yard scoring toss to end Ricky Thompson. Three touchdowns, two by Cefalo and one by Shuman, and another Bahr field goal gave Penn State a 34-14 lead with 3:32 remaining. But the Bears, who finished 8-4 for the year, refused to fold and with 19 seconds left reserve quarterback Mark Jackson teamed with Thompson for a 11-yard touchdown.

On the ensuing kickoff, Hicks tried an onside kick only to watch Lion Joe Jackson scoop up the loose pigskin and race 50 yards for another Penn State score with two seconds left. Baylor junior safety Ken Quesenberry, who had 12 tackles and one interception, was named the game's most Outstanding Defensive Player. Defensive back Tom Turnipseede added 11 tackles for the Bears and also recovered a Donchez fumble.

Senior Phillip Kent, one of eight Baylor all-conference selections playing in the game, returned three Nittany Lion kickoffs for 58 yards. Thompson and tight end Sam Harper each caught three passes.

Quarterbacks Mike Brannan and Mickey Elam passed for 86 yards each to spark the Baylor Bears to a 24-18 upset win over 17th-ranked Clemson Tigers in Atlanta's Fulton County Stadium.

The win vaulted coach Grant Teaff's Bears into 14th place on the Associated Press' final college football poll. The 8-4 Bruins were beaten during the regular season by Alabama, Houston, Arkansas and Texas, all members of the top ten.

With the Tigers leading 7-0, Brannan teamed with Bo Taylor on a three-yard touchdown toss to knot the score following Robert Bledsoe's extra point. The tally came eight plays after Baylor recorded its first of two blocked punts against Clemson kicker David Sims. They forged ahead 14-7 with 12:20 left in the second quarter when Brannan, voted the game's Most Valuable Offensive Player, connected with Robert Holt for a 24-yard scoring strike.

Baylor's final ten points resulted from a Bledsoe 29-yard field goal and a scoring pass from Elam to Raymond Cockrell that covered seven yards. Senior defensive end Andrew Melontree, voted the game's Most Valuable Defensive Player and linebackers Doak Field and All-American Mike Singletary led a Baylor defense that held an 8-3 Clemson offensive unit to 67 yards rushing.

Elam and tailback Walter Abercrombie set a Baylor bowl record when the duo teamed for a 63-yard pass completion in the third quarter to set up Bledsoe's field goal.

Coach Paul "Bear" Bryant's Alabama Crimson Tide completely dominated Baylor in the 45th annual Cotton Bowl on their way to a 30-2 rout.

The Bears, ranked as high as sixth place in the nation during the regular season, closed an outstanding 10-2 and Southwest Conference championship campaign by dropping their second Cotton Bowl game in as many tries.

Alabama, who closed a 10-2 year with the win, took advantage of four Baylor fumbles and also intercepted three Bear passes to roll up a 339-158 total yardage advantage.

Three Peter Kim field goals and scoring runs by Major Ogilvie, Don Jacobs and Mark Nix put the Crimson Tide on the scoreboard while a Tommy Tabor first quarter safety made the only points the Bears could muster. The league-leading Baylor offense netted 54 yards rushing, 18 by quarterback Jay Jeffrey. SWC champion runner Walter Abercrombie was held to nine yards on eight attempts by the Alabama defense.

Fullback Dennis Gentry was the leading pass receiver in the game, grabbing five receptions while Robert Holt added three others. Also, Gerald McNeil accumulated 100 yards in kickoff and punt returns for the Bears. Tabor and all-conference linebacker Doak Field led the Baylor defensive charge with 15 stops each. All-American middle linebacker Mike Singletary, all-league safety Vann McElroy and linebacker Lester Ward each had 12 tackles for Baylor.

Baylor, following the New Year's Day defeat, dropped to 14th place in the final football poll.

OKLAHOMA ST. - 24

Oklahoma State raced to a 21-0 lead in the first half before finally holding off Baylor, 24-14 in the 25th annual Bluebonnet Bowl at the Astrodome

Aided by a roughing-the-passer call and fine running by Alfred Anderson and Broderick Sargent, Baylor drove 87 yards in eight plays for its first score. Cody Carlson hit All-American Gerald McNeil with a 12-yard TD strike.

Oklahoma State scored its final points of the night on a 44-yard field goal by Larry Roach after Jim Mueller's onside kick attempt failed. The Cowboys drove from midfield to Baylor's 27-yard line before settling for the field goal with 21 seconds left in the half.

Rusty Hilger missed the second half after being knocked out by BU linebacker Robert Watters and was replaced by reserve quarterback Ike Jackson. Jackson moved OSU to the Baylor five early in the third quarter but Thomas Everett, Aaron Grant and Kevin Hancock led one of BU's best defensive stands of the year. Roach's field goal attempt was blocked by Ervin Randle.

Both of Baylor's interceptions came in the last period; Tom Muecke and Cody Carlson threw one each as the Bears hurried to catch up. McNeil took a 28-yard halfback option pass from Anderson and Marty Jimmerson kicked the PAT to cut OSU's lead to 10 with 5:14 remaining. Baylor's hopes were dashed for good when Muecke was trapped for a loss of five on fourth down with 1:10 showing on the OSU 45.

Hancock led Baylor defensively with 14 tackles while Paul Mergenhausen added 10.

Anderson was selected Baylor's MVP after rushing for 103 yards on 21 carries. McNeil's 163 yards receiving tied the individual bowl record set 20 years earlier by another Bear—James Ingram.

Baylor fashioned one of its finest bowl efforts ever in beating LSU 21-7 in the 27th Liberty Bowl Football Classic

The Bears dominated virtually every phase of the game. They gained 489 yards total offense to the Tigers' 192. Baylor led in first downs (26-9), rushing yards (215-92), passing yards (274-101), yards per snap (5.4-3.3) and time of possession (37:14-22:46). The Baylor defense played so well the second half LSU gained only 72 yards on 26 plays. In the third quarter the Tigers had 11 yards total offense on nine snaps.

LSU got on the board first with a 79-yard Norman Jefferson punt return. That play, a Liberty Bowl record, came with 5:17 remaining in the first quarter and turned out to be LSU's only fireworks of the cool, clear evening.

The Bears took the ensuing kickoff and marched 80 yards in seven plays to knot the score at seven. On a third and goal from the five, quarterback Cody Carlson hit a diving Matt Clark in the corner of the end zone. Terry Syler added the extra point.

Syler made it 10-7 with his 29-yard field goal with 5:36 left in the first half and upped the score to 13-7 with a 35-yarder early in the third quarter.

Baylor's final tally came when Carlson connected with John Simpson on a 15-yard scoring strike with 10:42 left to play. The junior quarterback, who was named the game's Most Valuable Player, then hit Clark for a two-point conversion, making the final score 21-7. In addition to Carlson, Simpson was named Baylor's Outstanding Offensive Player on the strength of his three catches for 117 yards, including a 59-yarder which helped set up a Syler field goal. Cornerback Ron Francis, who had an interception, fumble recovery and six tackles was named Baylor's Outstanding Defensive Player.

COLORADO - 9

Baylor's defense, led by Most Valuable Player Ray Berry, stymied Colorado's wishbone offense to key a 21-9 Bear win in the 28th annual Bluebonnet Bowl. The Bears limited the Big Eight runner-up Buffaloes to only 194 total net yards, 83 of which came on the ground. Berry, called a "one man wrecking crew" by sportswriters after the game, accounted for 12 tackles, three of which resulted in 12 yards in losses. With the win Baylor finished the season 9-3 and ranked as the Southwest Conference's highest team in the national polls. Sports Illustrated listed the Bears in the No. 8 spot while the Associated Press ranked BU No. 12 and the United Press International No. 13.

Colorado found out early what kind of day it would be for the Baylor defensive squad. They managed only one field goal and 77 yards total offense in their first eight possessions through nearly three quarters of play. Meanwhile, Baylor's offense did what it had to do, scoring a touchdown in each of those first three quarters. The first Bear TD capped a 12-play, 64-yard drive in the first quarter. The drive was kept alive by a CU offside penalty when Baylor was in punt formation. The highlight play was a 22-yard run off tackle by Derrick McAdoo down to the Colorado five. Four plays later, McAdoo, a senior from Houston, dove over from the one on a fourth-down play.

Baylor next hit pay dirt midway through the second stanza. It took only three plays to go eight yards after Keith Rose recovered an errant Colorado pitch. Quarterback Cody Carlson hit flanker Darnell Chase in the corner of the end zone on a two-yard scoring strike. Another turnover gobbled up by the BU defense set up Baylor's final score. Robert Watters sacked the Buff QB and Berry recovered on the 21. It took only four plays, one of which was a 17-yard shot from Carlson to Matt Clark, before McAdoo tied the BU school record with two TDs in a bowl game.

The rest of the way it was just a matter of letting the defense do its thing while younger players got valuable experience. Carlson saw no action in the fourth quarter because of a bruised shoulder.

In addition to scoring twice McAdoo led Bear rushers with 36 yards. Jeffrey Murray was right behind with 35. Carlson completed 11 of 22 passes for 136 yards and Clark was the biggest recipient. He caught three for 58 yards.

Baylor watched two golden scoring opportunities slip through its hands while Indiana used a patient balanced attack to grind out a 24-0 victory over the Bears in Copper Bowl III in Tucson, AZ.

Indiana jumped to a 7-0 lead, largely on the rushing of All-American Vaughn Dunbar, who finished the game with 106 yards and the Most Valuable Player Award. Late in the first quarter the Bears were driving nicely before the drive stalled at the Hoosier 21.

Lining up in field goal formation, Baylor opted for a fake pass from holder Kent Brentham to kicker Jeff Ireland. Ireland was totally uncovered on a pattern for the endzone, but the pass scraped off his fingertips.

That mishap seemed to set a pattern for Baylor's 14th bowl game and first west of Waco. IU added a field goal after a long drive late in the first and it seemed like Baylor had a chance to regroup while down by only 10 at the half. But the Hoosiers got the ball back with 2:37 remaining and drove 80 yards in 10 plays to go up 17-0 at the half. The third quarter proved to be a defensive struggle until the Bears drove from their 22 to the IU six. Then, with Baylor having a chance to get back into the game, Robert Strait fumbled into the endzone after he and quarterback J.J. Joe never quite made connections on a handoff.

With another opportunity gone, Baylor could do little the rest of the game. The Hoosiers added another score to make it 24-0 at the end. Their final scoring march went 60 yards on 12 plays and consumed 6:48. IU led in virtually every statistical category, but not to the extent which the final score would indicate. They rushed for 147 yards, compared to Baylor's 138. They passed for 176 yards while BU had 131. The time of possession chart favored Indiana 32:55 to 27:05. The real story for Baylor seemed to be lost opportunities and mental lapses which Indiana did a fine job of exploiting. Le'Shai Maston was one of a few bright spots for Baylor as he had 13 tackles from his linebacker spot. Cornerback Frankie Smith added nine tackles and had 53 yards on five punt returns. The Bears finished the season 8-4.

BAYLOR - 20

ARIZONA - 15

The Grant Teaff era of Baylor football concluded in grand style as Baylor used big plays both offensively and defensively to hold off Arizona 20-15 in the 1992 John Hancock Bowl. The Wildcats, who brought perhaps the nation's best defense into the game, outgained the Bears 418 yards to 249, but BU had touchdown passes of 61 and 69 yards and the defense had a brilliant goal line stand and held UA to field goals twice. UA jumped to a 10-0 lead midway through the second quarter. Steve McLaughlin had to settle for a 22-yard field goal after the Bear defense stopped five plays inside the Baylor six and George Malauulu scored on a quarterback draw from seven yards out. As the first half was coming to a close Baylor struck paydirt with a halfback pass from freshman Brandell Jackson to Melvin Bonner for a 61-yard TD with 2:37 remaining.

UA came back very quickly to reach the BU two, but again the defense stiffened and allowed only a field goal. It had been mostly Arizona through two quarters, but Baylor grabbed the lead for good on just the second play of the third quarter when QB J.J. Joe hit Bonner for a 69-yard scoring toss. It was a simple out-route on which Bonner broke a tackle and sprinted down the sideline for the score. The rest of the way rains became heavier and the contest turned into a battle of defenses. The highlight of the day came when Arizona moved the ball down to the Baylor eight only to be stopped on the one after four attempts. Robbie Birlson and Le'Shai Maston were credited with the final three tackles. Baylor managed two field goals in the fourth quarter, a 32-yarder and 35-yarder, both by Trey Weir and UA scored when the Bears took an intentional safety. The BU defense held twice again late, stopping drives on their own 22 and 28. The final stand came with time running out and Malauulu passing into the endzone. While the Bears' offense was limited by one of the nation's best defenses and a steady rain, it did what it took with the big plays and field goals. Meanwhile, the BU defense gave up some yards, but not many points. Maston was brilliant as he led all tacklers with 11, five unassisted. Defensive tackle Scotty Lewis and defensive back Michael McFarland had 10 stops each and linebacker Shawn Cravens and safety Chris Lewis added seven.

The second annual Alamo Bowl more than lived up to its billing as a match-up between Washington State's nationally-ranked defense and Baylor's high-scoring offense. In the end, the Cougar defense prevailed in a tight 10-3 thriller that wasn't decided until 30 remained to play.

The Cougars scored the first time they got the ball and it proved to be the game's only touchdown. WSU went 91 yards in 13 plays as Hicks scored on a one-yard plunge up the middle. Baylor appeared to have stopped the drive after holding Washington State on three quick downs, but a roughing the kicker call allowed the Cougars to retain possession.

Both defenses buckled down to dominate the rest of the way. WSU entered the game with the nation's No. 1 ranked defense, and it played as expected. The Bear defenders more than held their own after allowing the early touchdown. With both defenses playing well, it turned into a game of field position and field goals. The next two drives by each team ended in punts. After taking the second punt the Bears drove down to the Cougar 28 and attempted a 44-yard Jarvis Van Dyke field goal which fell short. Baylor's next possession ended in the same result as a 47-yarder missed the mark. Washington State ended the half with a 37-yard field goal by Tony Truant to go up 10-0. The second half unfolded with more strong defensive football. Two more third quarter drives by each squad ended up in punts. Finally, with the final stanza about to get underway, the Bears got on the scoreboard. After Nikie Codie blocked a punt which landed at the Bear 25, Van Dyke hit a 36-yard field goal on a 13-play, 56-yard drive. The Bears mixed the run and pass well as Bradford Lewis bolted up the middle for 12 and Jeff Watson hit Ben Bronson on a 13-yard completion. Baylor made a bold bid to win the game in the fourth stanza. With 3:57 left the Bears got the ball on the WSU 45. Three plays netted only a yard. Facing fourth-and-9, Watson then hit a diving Kalief Muhammad on a 33-yard pass to the 11. Three more plays lost a couple of yards.

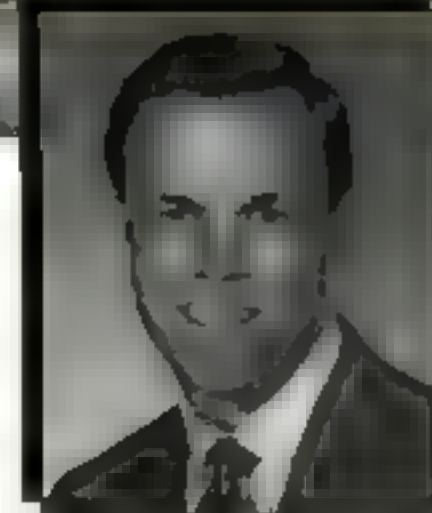

On fourth down with 30 seconds left Watson's pass into the endzone was intercepted by Todd Jensen as WSU sealed the win.

The Jim Thorpe Award is annually presented to the nation's top defensive back, and the honor was won by Baylor's Thomas Everett in 1986.

Mike Singletary...

Mike Singletary came to Baylor with two clear goals: He wanted to earn his Baylor degree and he wanted to become the greatest defensive player in school history. There is no doubt that Singletary met the goal of becoming the best-ever defensive player at Texas' oldest university.

Everybody who saw him play agrees Singletary was college football's greatest middle linebacker playing in the late '70s and early '80s. His Baylor statistics are still astounding: He holds records for most tackles in a career with 662 (second place is 370), most tackles in a season with 232 (the next closest is 144) and most tackles in a game with 33. Coach Lou Holtz, against whose Arkansas team he had those 33 tackles, called Singletary the best middle linebacker he ever coached against. Coach Woody Hayes, after seeing Singletary make 31 tackles against Ohio State, called him unstoppable. After Singletary made 30 tackles against Alabama, Coach Bear Bryant said that Singletary and Leroy Jordan were the only two linebackers he had ever seen who were capable of making the tackle on every single running play in a game.

Perhaps Singletary's most amazing statistic came in the area of broken football helmets. During his Baylor career Singletary hit opposing ball carriers so hard he cracked and shattered 16 of his own helmets. The Baylor football equipment staff routinely had three helmets fitted and prepared for Singletary to wear.

Singletary earned all-Southwest Conference honors four years. As a freshman he was named

Davey O'Brien Award

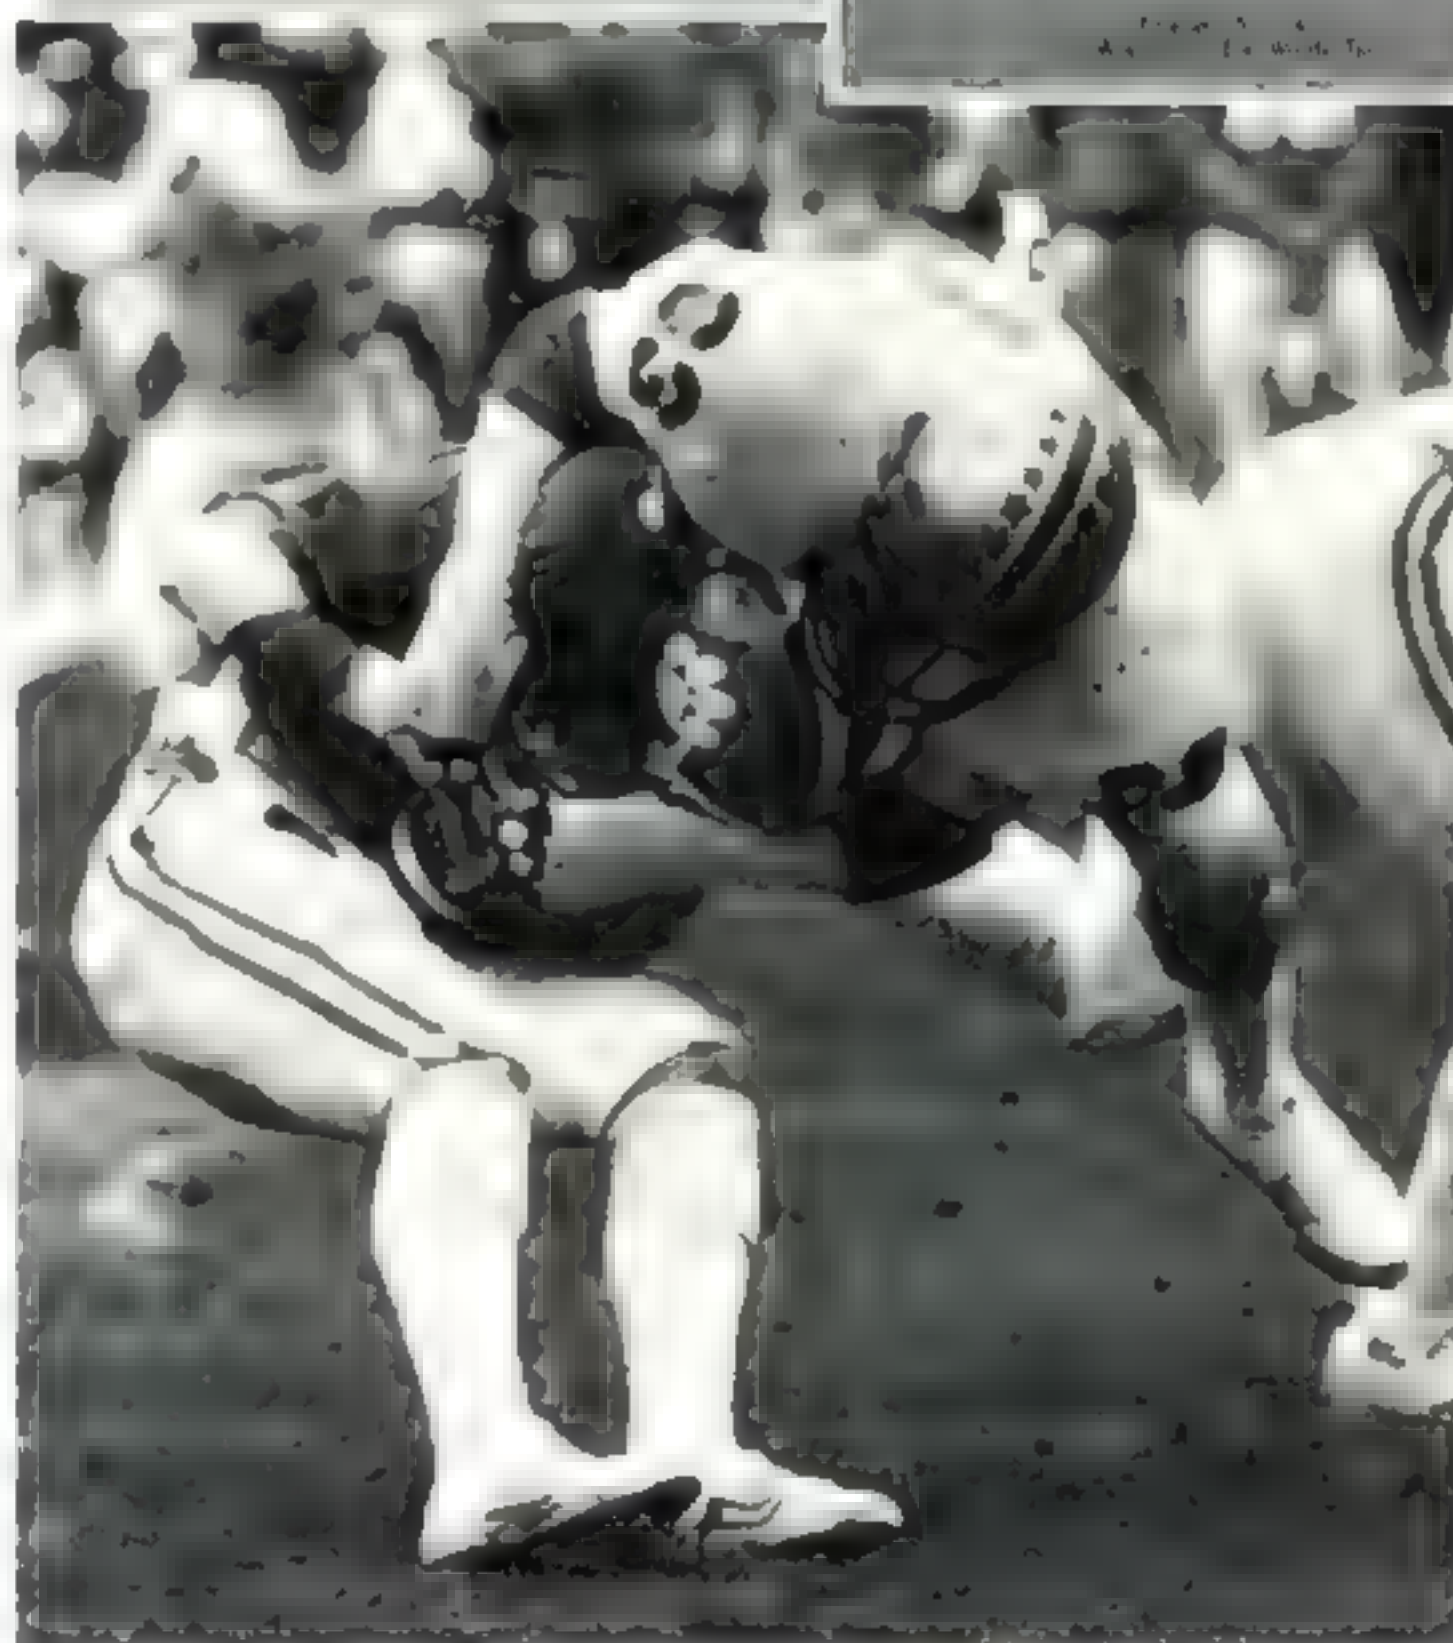

Southwest Conference newcomer of the year. As a sophomore, junior and senior he was named Southwest Conference defensive player of the year. Twice he won the Davey O'Brien Award as the best football player in the Southwest United States. He was named all-America three years and unanimous all-America two years. He was named to the Baylor all-decade teams of both the 1970s and 1980s. He was Baylor's defensive player of the decade in the '80s and was named to Baylor's All-Half Century Football Team.

In 1995 Singletary was named to the Football Writers Association of America All-Quarter Century All-America Team for players who played between 1970-95. In 1990 he was inducted into the Baylor Athletic Hall of Fame, in 1994 he was inducted into the Southwest Conference Hall of Fame and in 1996 he was given college football's highest honor as he was inducted into the National Football Foundation Hall of Fame.

Singletary took his talents to the NFL and continued what he began at Baylor. His very first season he was named NFL defensive rookie of the year. During a 12-year career with the Chicago Bears, he was named NFL All-Pro 10 times. He was the defensive MVP on the Bears' Super Bowl championship team and won the NFL Man of the Year Award as the top player in professional football based on the highest standards of play and community involvement.

As for Singletary's academic goals, he graduated in four years with a major in business administration. In 1998, he received yet another high honor, induction into the NFL Hall of Fame in Canton, Ohio.

Mike Singletary was the third recipient of the O'Brien Award, and he was the only repeat winner, taking the trophy in 1980 and 1981. He was also the last player at a position other than quarterback to win the award, as it became the Davey O'Brien National Quarterback Award the following year.

The GTE Academic All-America Team is selected each year by the College Sports Information Directors of America (CoSIDA) under the sponsorship of GTE. To be eligible an athlete must be a starting player with at least a 3.20 grade point average and be an outstanding athlete.

The NCAA and You

Supporters of Baylor University are one of the most valuable assets to our various athletic programs. It is important that our supporters understand and follow the NCAA and Big 12 Conference rules. Baylor is held responsible for the actions of our boosters. The consequences of improper behavior, either intentional or inadvertent, can be devastating to the athletic program and the entire University. It can also result in Baylor's student-athletes losing their opportunity to compete.

First, it is important to let the coaches do the recruiting. Boosters are not permitted to contact a prospect either in-person, by telephone, or in writing. If you know of a talented prospect in your area, feel free to let our coaches know about them, but please do not contact them. Inappropriate contact on your part can jeopardize the eligibility of the prospect.

Also, the NCAA does not allow boosters to provide an "extra benefit" to any prospect, current student-athlete at Baylor or members of their family.

An extra benefit is any special

arrangement by a booster to provide a student-athlete or prospect with any benefit not expressly authorized by the NCAA. The NCAA considers these special arrangements or extra benefits to include: travel expenses or the use of an automobile, rent-free or reduced housing, cash or loans of any amount, payment or special discount for any services (e.g. auto repair, legal fees, laundry or tailoring), gift on any kind (e.g. birthday/Christmas gift, clothes, food), co-signing a loan, providing bail or a bond, providing tickets to any entertainment or community event.

Baylor is proud to have the loyal support and continued interest in its athletic programs by you. As we strive for continued athletic excellence, we must do so while setting the highest standard of integrity and ethical conduct, by coaches, student-athletes, administrators, and fans.

If you have any questions regarding the NCAA or Big 12 Conference rules, please contact the Baylor University Athletics Compliance office at 254-710-1234.

IMPERMISSIBLE ACTIVITIES

A booster may not provide a prospect, enrolled student-athlete or their family members:

- cash or a loan;
- transportation or an auto;
- co-sign a loan;
- gift (e.g. birthday, Christmas, money, jewelry, clothing, stereo)
- free or reduced services (e.g. auto repair, legal fees, laundry, tailoring)
- bail or bond
- employment for family members

The NCAA opposes all forms of legal and illegal sports wagering. Sports wagering has the potential to undermine the integrity of sports contests, and jeopardizes the welfare of student-athletes and the inter-collegiate athletics community. Sports wagering demeans the competition and competitors alike by a message that is contrary to purpose and meaning of sport.

DON'T BET ON IT

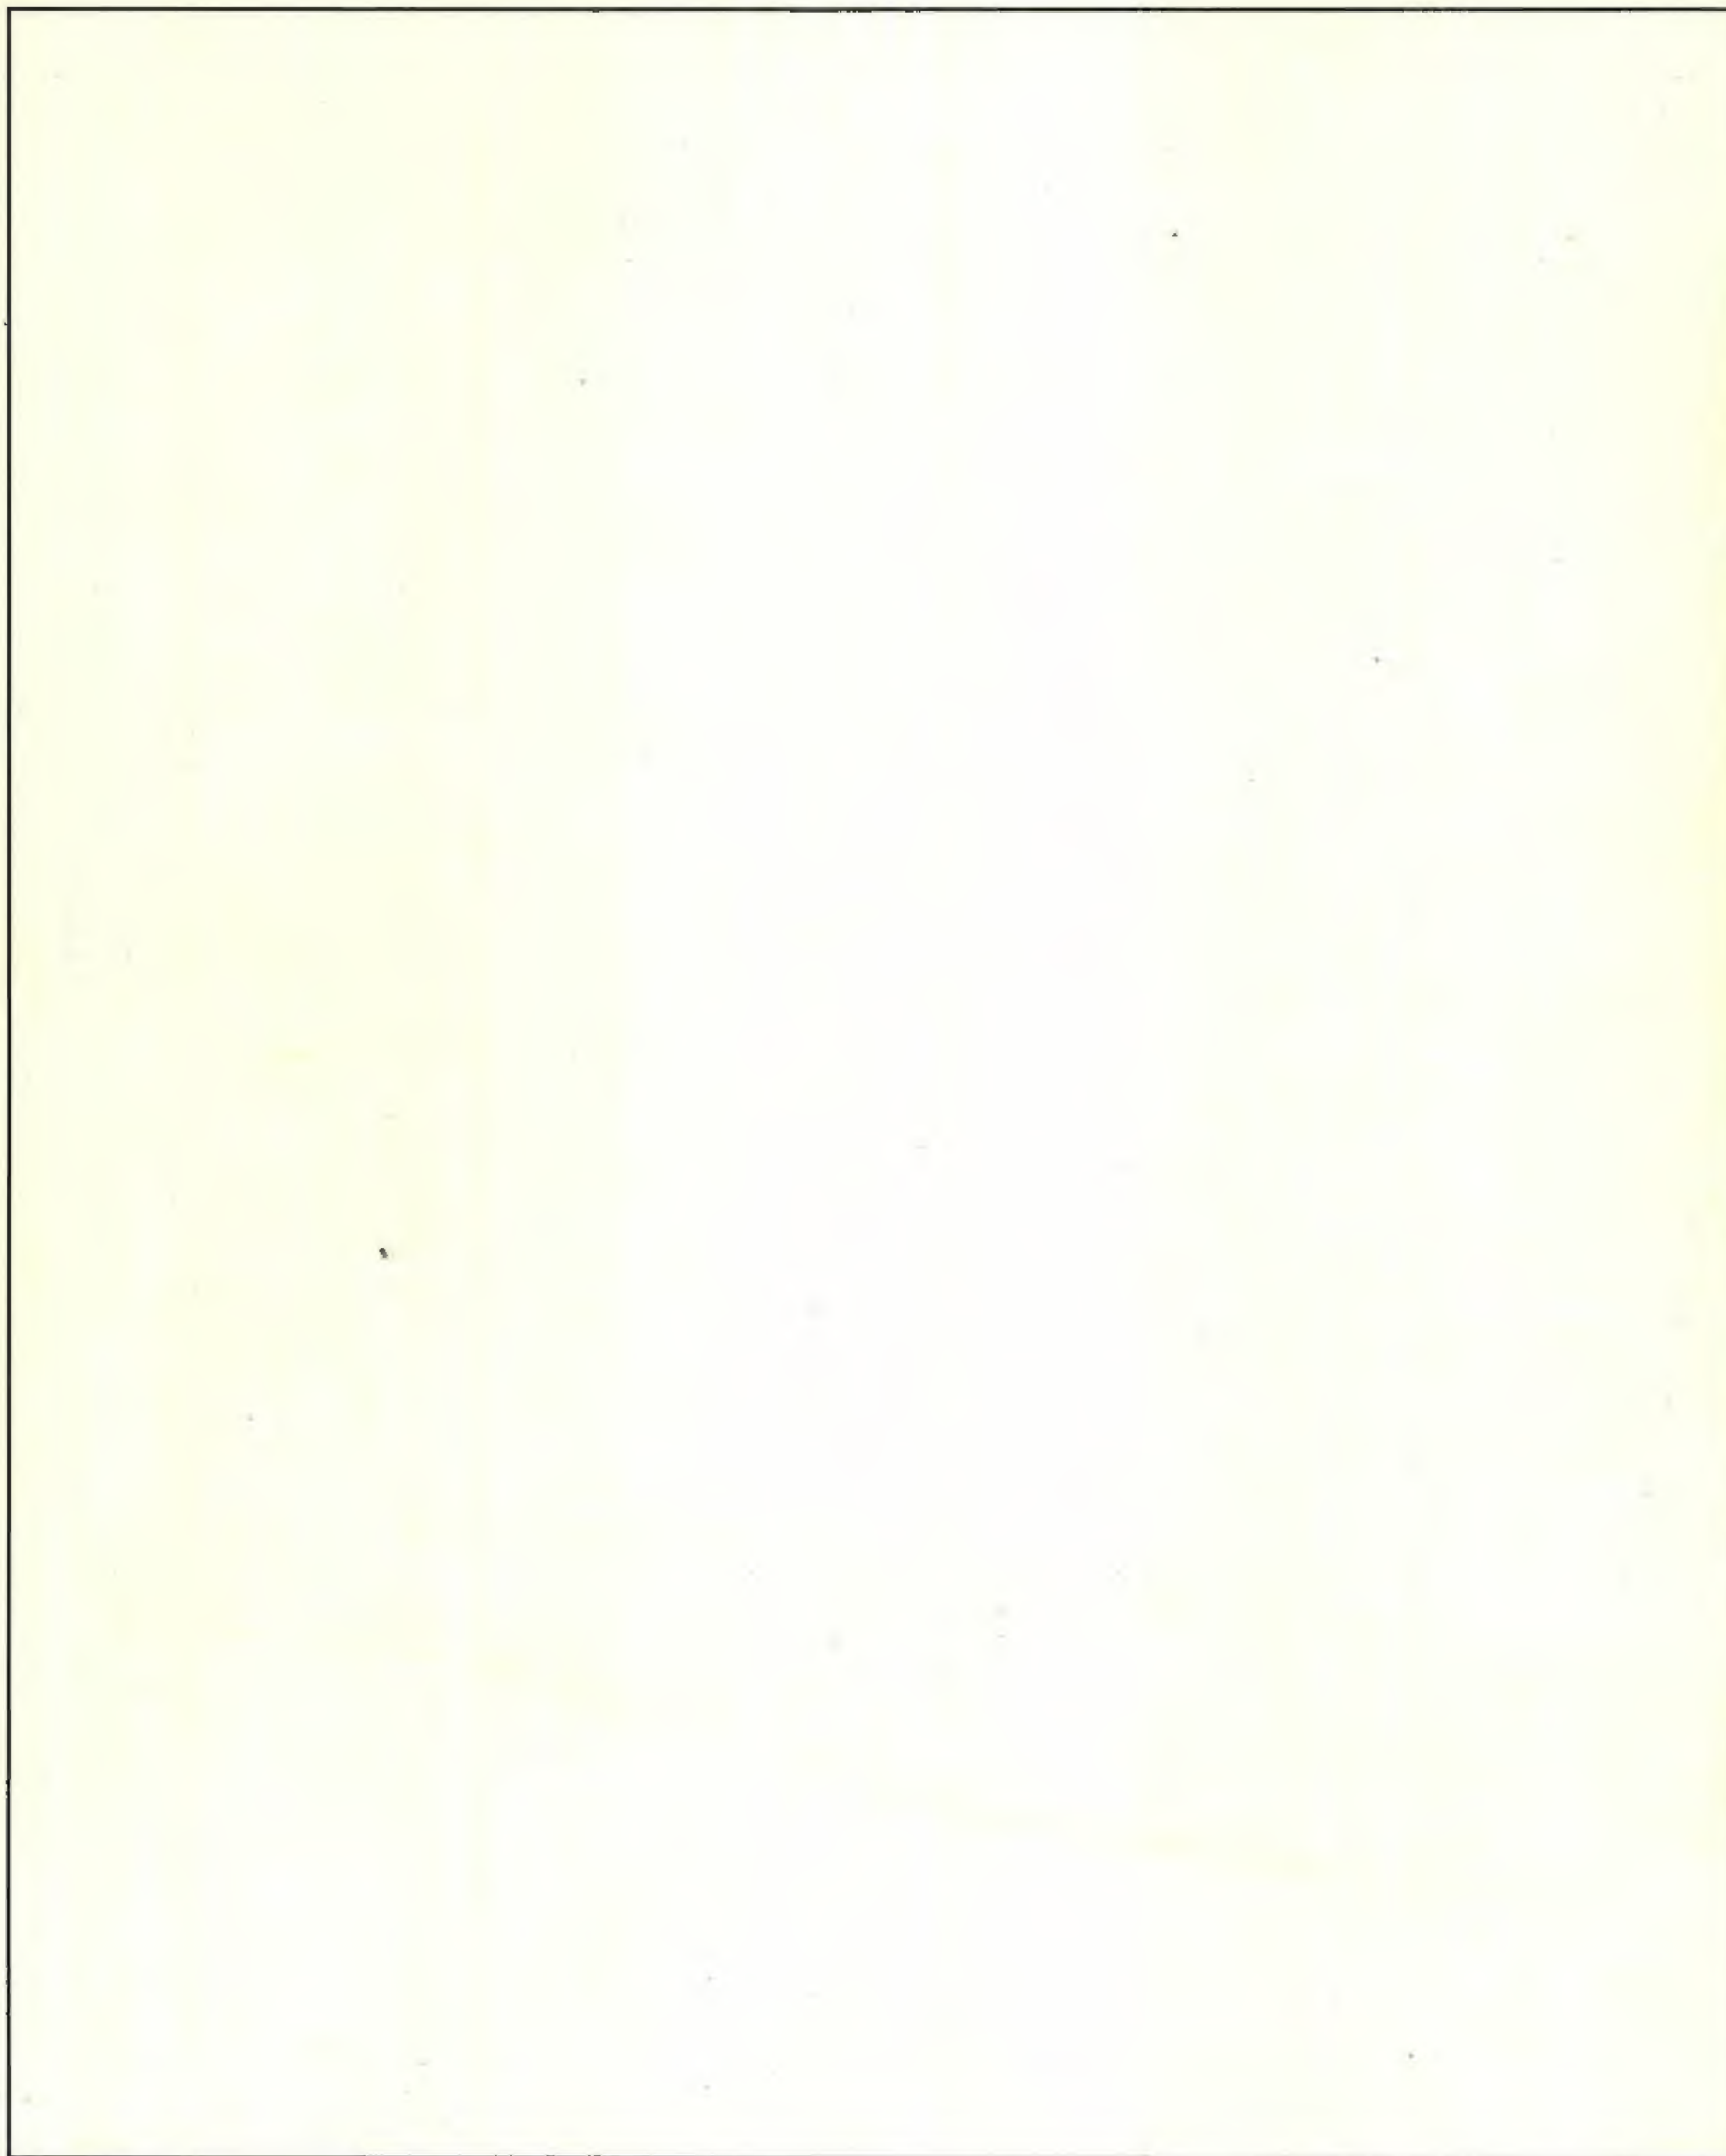

ARE YOU INVOLVED WITH SPORTS BETTING? DO YOU INTERACT WITH A STUDENT BOOKIE? IF SO YOU RISK:

- Loss of NCAA Eligibility
- Banishment from Professional Sports
- Humiliating Media Coverage
- Public Embarrassment to You, Your Teammates and Family
- Pressure by Bookies and Organized Crime to Shave Points/Throw Games
- Expulsion from School
- Opportunity for Future Employment
- Violation of Local, State and Federal Laws
